Paul Denbitt

It's been a fun year,  
but all good and bad  
things must come to  
an end, and this one  
is almost through.  
Maybe I will get in  
another one of your  
classes next year and  
bruise your legs some  
more.

David Brock '71

is a  
journalist  
you'd starve! but  
as a human being  
I'd say you're all right  
Best wishes  
Miss Douglas

Dear Paul  
you are a  
very unusual  
person, but I  
like you very  
much. I also  
apologize for  
the 6th grade.

Affectionately,  
Jane Bringer

Paul, well, there are  
a lot of times you'd  
think I'd hate you  
but you're really  
a nice guy.  
Good luck

# Dedication

Words cannot express the sincere respect and admiration of everyone, past and present, toward a man that has been a teacher, principal, and friend. Serving now as assistant superintendent, he taught for twenty-seven years before serving four years as principal at Bell. This year, the Annual Staff dedicates the 1969 RAIDER to Mr. Frank D. Johnson, in appreciation for his service and support at L. D. Bell High School.

# Homecoming: A Date With Tradition

Bell's 1968 Homecoming brought with it the usual excitement and festivities that accompany the traditional time. Anticipation reigned supreme during the week - the halls were decorated, the float contest was won by the Juniors, the bonfire was created, and Dee Cooper was chosen Homecoming Queen. The week of events was topped off by the annual dance sponsored by the Key Club.

## Mr. Sales Welcomed To Bell

There is no quick, cheap, and easy way to master the art of leadership. But if a person has intelligence, natural aptitude, and native interest in a field, he can learn the principles and techniques of leadership and apply them. Leaders are trained and developed, not born.

It is my hope that each student of Bell High School, has gained something from this year's school experience that will help him to assume a more responsible role of leadership - leadership in an everchanging society as well as leadership in his chosen field of endeavor.

I think this is the challenge set forth by our School Motto. I hope each student has or will accept this challenge as a personal goal in life.

Sincerely,

*A. J. Sales*

Contrary to the way numerous study halls operate, the library offers refuge to students who like their sneezes to be answered with "Gezundheit", not a detention hall.

The first assignment in typing always seems to be the same---off with the fingernails. After the preliminary shortening of the claws, speed and accuracy are developed. Other business students are luckier---they merely struggle to decode a system of hieroglyphics; better known as shorthand. There are also other courses offered in the department which provide the work-a-day experience in the classroom.

# Students Study Past — Question Future

We complained constantly about having to spell the names of cities that no longer exist and having to memorize a hundred rivers, countries, and lakes for a map test that only consisted of two questions. Nor did we like studying the same wars all over again. An indication though of the success of the History department is the great number of seniors who annually select Sociology as one of their electives.

"Yes, you have to read that 'decayed classic.'"

"No, you may not finish your timed writing at home."

"Yes, I said quiz!"

"No, I don't believe your dog ate your assignment."

Such are the woes of an English teacher; petty and inconsequential to those of an English student.

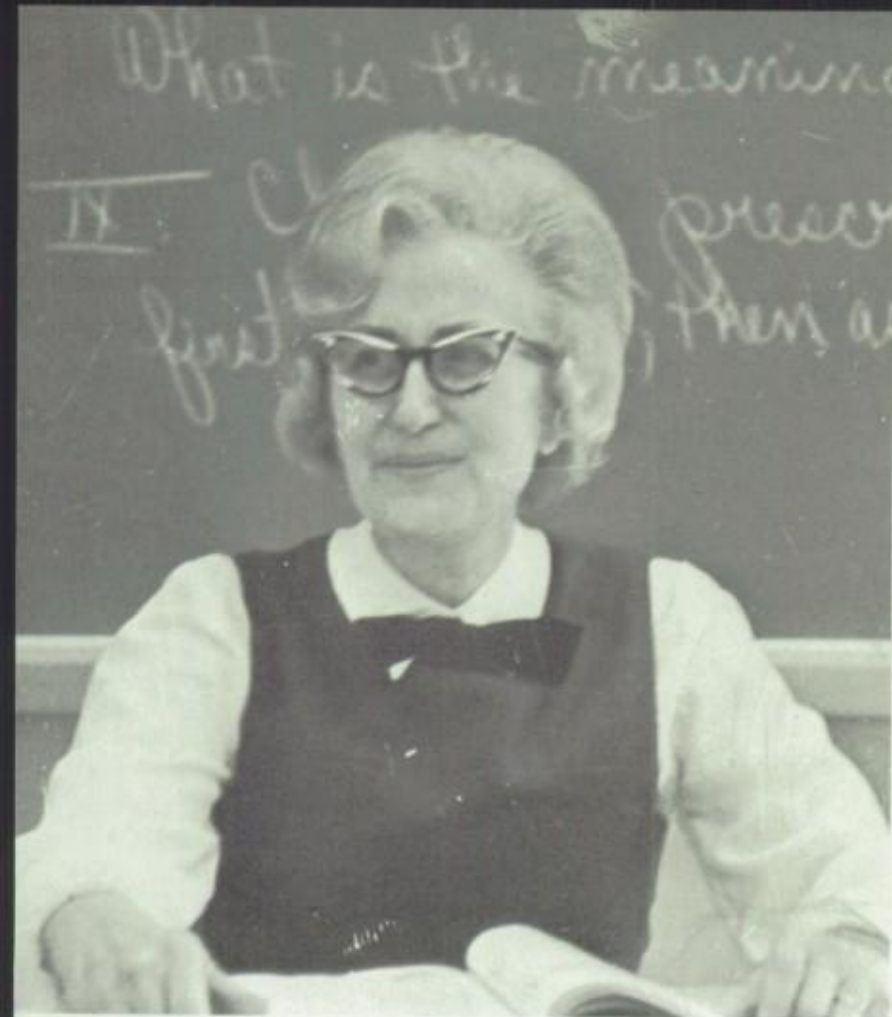

"How was I supposed to know you meant principle spelled with an 'le'?"

"I can't help it if my Math book has the same cover!"

And for every happy moment there is a distressing one; Staying up all night to read a book, then being quizzed on the one chapter you skipped, watching the TV version of the book you were supposed to have read and then finding out the author sued the company for using the title of his book.

Nothing can mar the joy of the supreme discovery - I actually understand that 'decayed classic' without even reading the Cliff Notes!

# Scientists Delve Into World Of Unknown

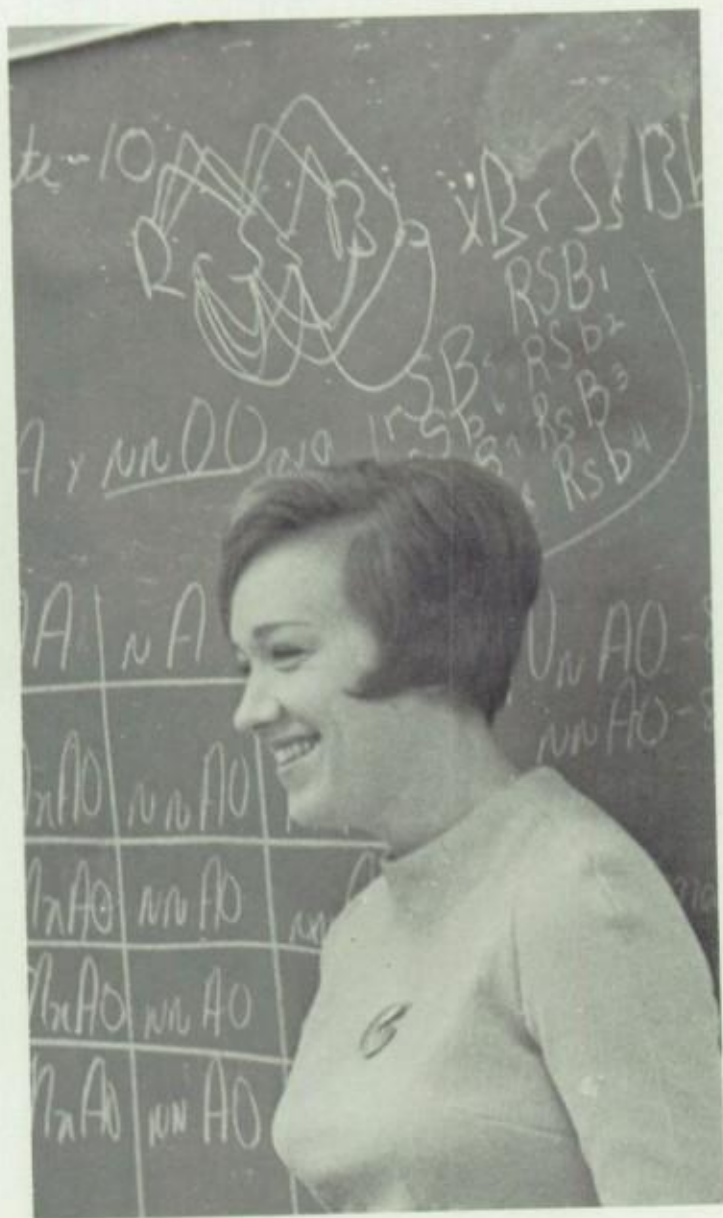

When you are wondering what can possibly be learned from observing the dissection of an earthworm, "Don't ask, keep watching." The power of observation is a part of the intelligence inherent in man; at least that's what the Biology teachers tell you. It's difficult to believe this when struggling with Chemistry homework and trying to figure out how your lab partner would break a brand new set of test tubes that weren't even needed in the experiment. One thing is certain, though, science is a precise subject---confusing, but precise.

I marched into Math for the first time armed with sharpened pencils, a protractor, and a great deal of self assurance. The first two setbacks were finding out I didn't know how to fold my homework paper and discovering that a pair of compasses was one implement, not two. After sitting down to a table of Trig functions and swallowing the square roots, I picked up the nearest pen and ruler and set out to attack the theorems and corollaries which were in my way. Through a maze of swampy deltas I walked charging up and down slopes, loosing many fractional coefficients along the way. Sometimes the results were positive, sometimes negative, but what almost killed me was finding out that some problems were just undefined.

# National Honor Society

The highest scholastic honor attainable at Bell is membership in the NHS. Members are chosen by the faculty, not only on the basis of scholarship, but also for qualities of leadership, character, and service to the school.

SPONSORS: Sandra Cole and Hesta Conway.

Academic

## German Club

The German Club, sponsored by Mr. Steve Lewis, is a group of students interested in furthering their skills in German. It is a service club whose meetings feature information, service projects, and activities centered around a German Theme.

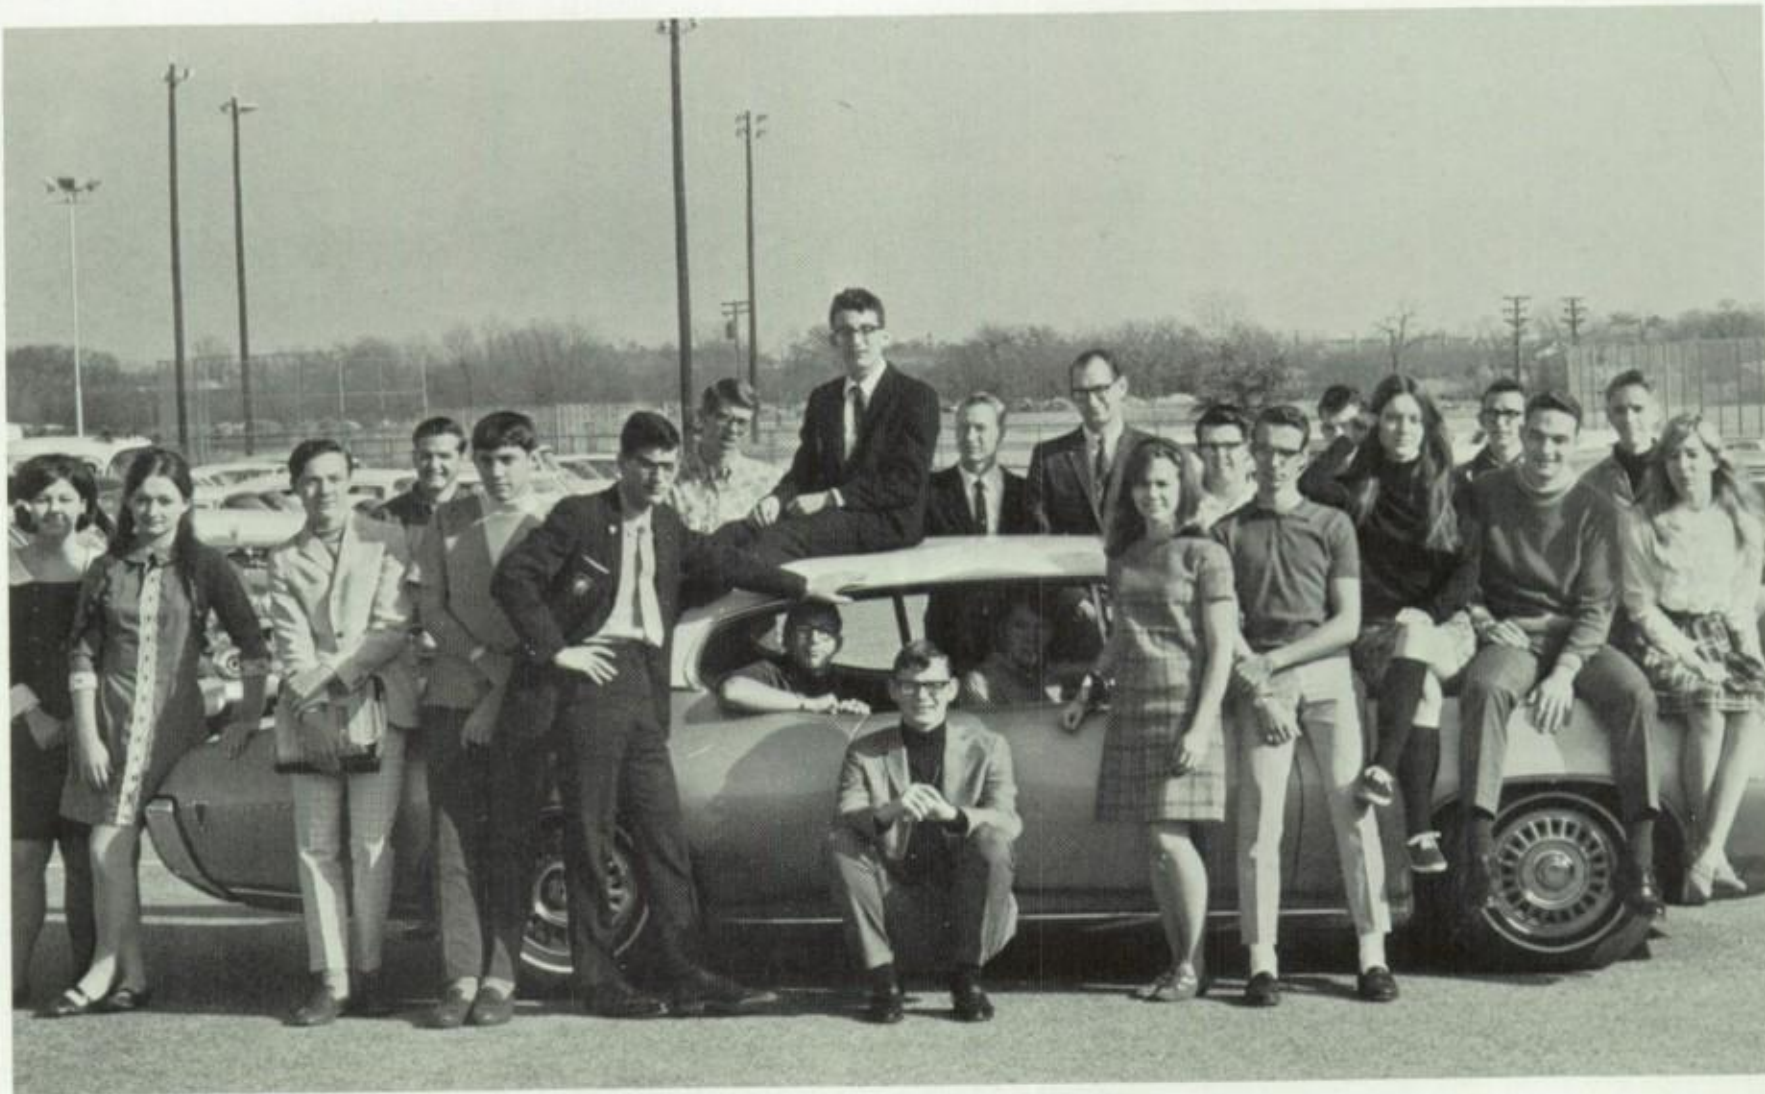

## Spanish Club

The Spanish Club enjoys fiestas and banquets while learning of the Old Spanish world. Members are, or have taken Spanish.

# Jets

## Le Cercle Francais

The French promotes a better understanding of all aspects of French people, language, customs, and culture. This is accomplished by providing lectures, slide programs, and skits.

### JETS -

Students at Bell who show a high interest in math and science are encouraged to join the junior engineers. JETS is sponsored by local firms who offer several scholarships to exceptionally capable students.

# National Forensic League

The NFL is a Speech organization which consists of students interested in contest speaking. Membership is gained by earning points in poetry, debate, dramatic interpretation, extemporaneous speaking, oratory, and duet acting at contest.

## American Field Service

The AFS is a newly formed club at Bell. Its purpose is to aid the foreign exchange students at Bell, and in this area in any way possible. By doing this the AFS wishes to promote better international understanding.

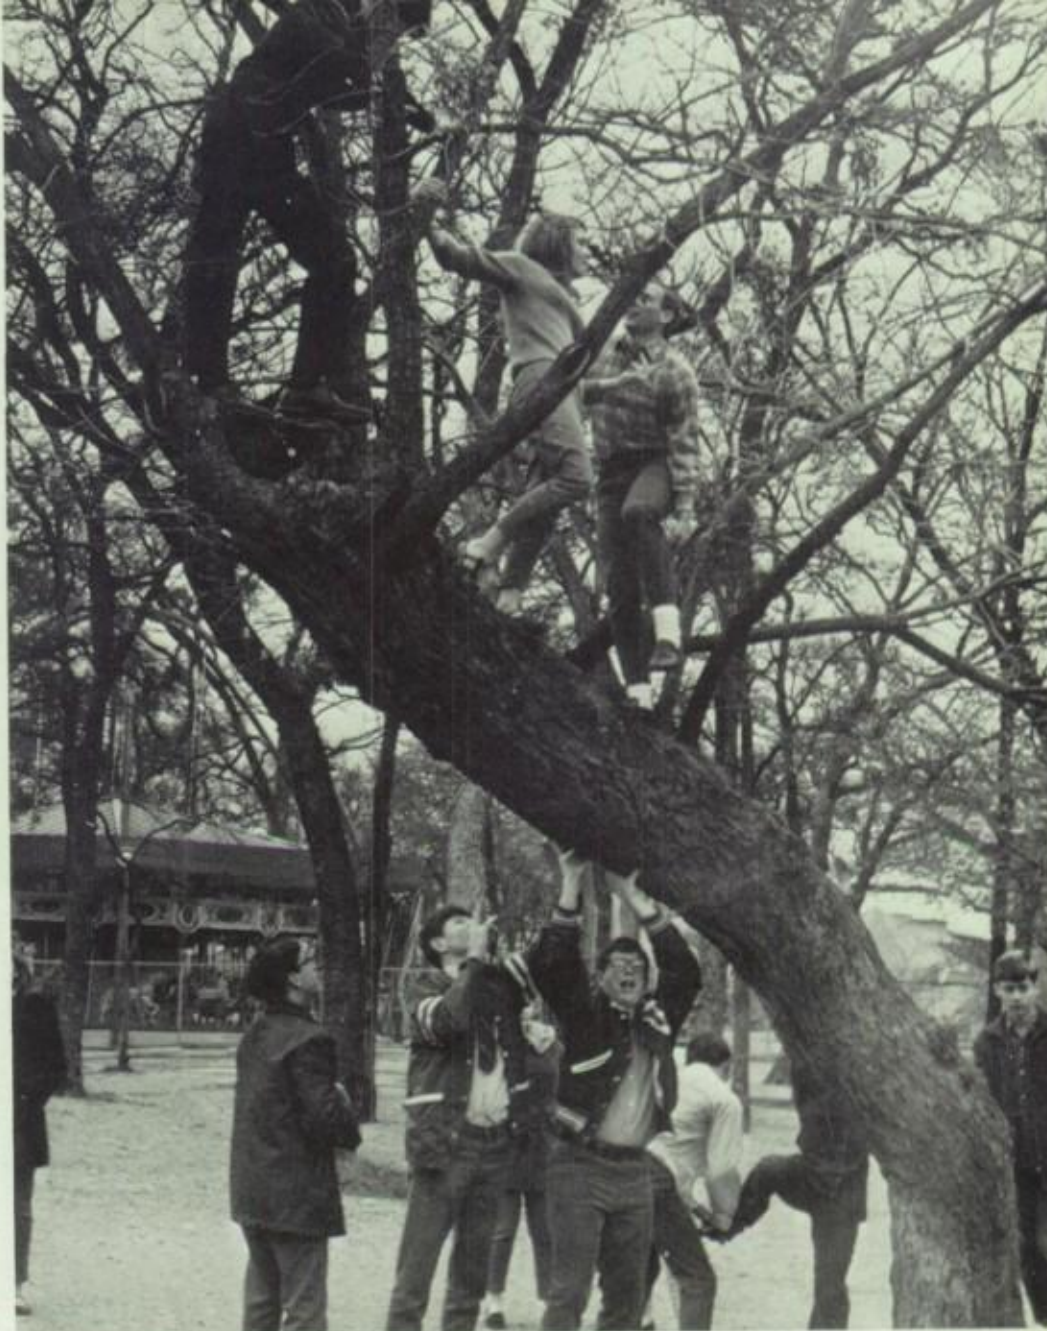

# Chorus Christmas Program

CHORUS - The L. D. Bell A Capella Choir under the direction of Mr. Robinson presents several programs throughout the year. Membership is by invitation only.

# Bell Players

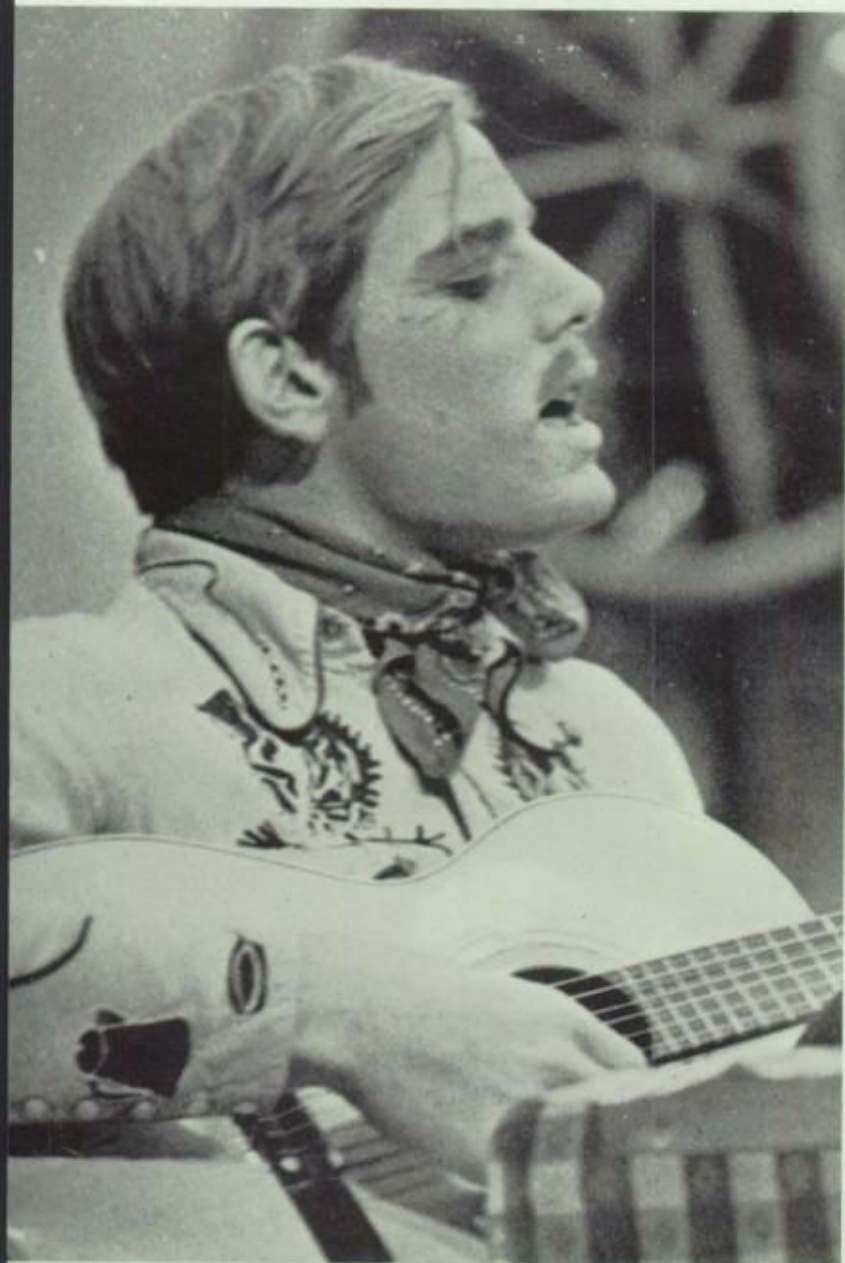

Bell Players is a drama group interested in all aspects of the theatre. They explore the theatre through participation in the productions as well as observe from the audience.

## Interclub Council

The ICC was formed by the Faculty Council to aid in its purpose of improving life at Bell High School by providing a channel of communication between students and faculty.

To The Life and Spirit of L. D. Bell: The Students;

The past year has been one of high-flying hopes, bitter defeats, overbounding enthusiasm, and disheartening lulls. I hope that as your Student Council President, I have been able to make for you a place of involvement; a place where each one of us, large, small, leader, or - the most part of the school, the students, have been able to make some headway in preparing ourselves for the demanding responsibilities known as adulthood.

It is now up to each one of us to consider all that has been a part of the 1968-1969 school year and mold the experience into a workable - useable plan of action ... action that will be one more part of the total ingredients needed to meet the objective of assuming more and greater responsibilities that go along with the privileges of our approaching adulthood.

I began this year with a challenge to you, and I make one final one now. I am asking you to look carefully, and with much understanding, at the world around you. Then, do the best job that you as one person can possibly do to make that world better ... for you and the person next to you.

With great hope,

*Mike Vance*

Mike Vance, President  
Student Council 1968-1969

Student Council is composed of representatives from each class. These students have the task of leading the student body in participation and to a greater sense of unity. It sometimes acts as a sounding-board for student dissension.

## Library Club

The Library Club gives students the opportunity to gain experience as librarians through their work in the school library. It promotes interest in library organization and operation.

## Office Help

The Front Office Help is responsible for taking any incoming messages and relaying them to office personnel.

The girls who assist the attendance office are responsible for collecting the attendance cards from each class and accounting for all absences.

Girls who work in the Nurses Office, aid students who become ill or need minor first aid during school hours.

Students who work with the Counselors help by calling students from class, filing student folders, and arranging various data concerning further education.

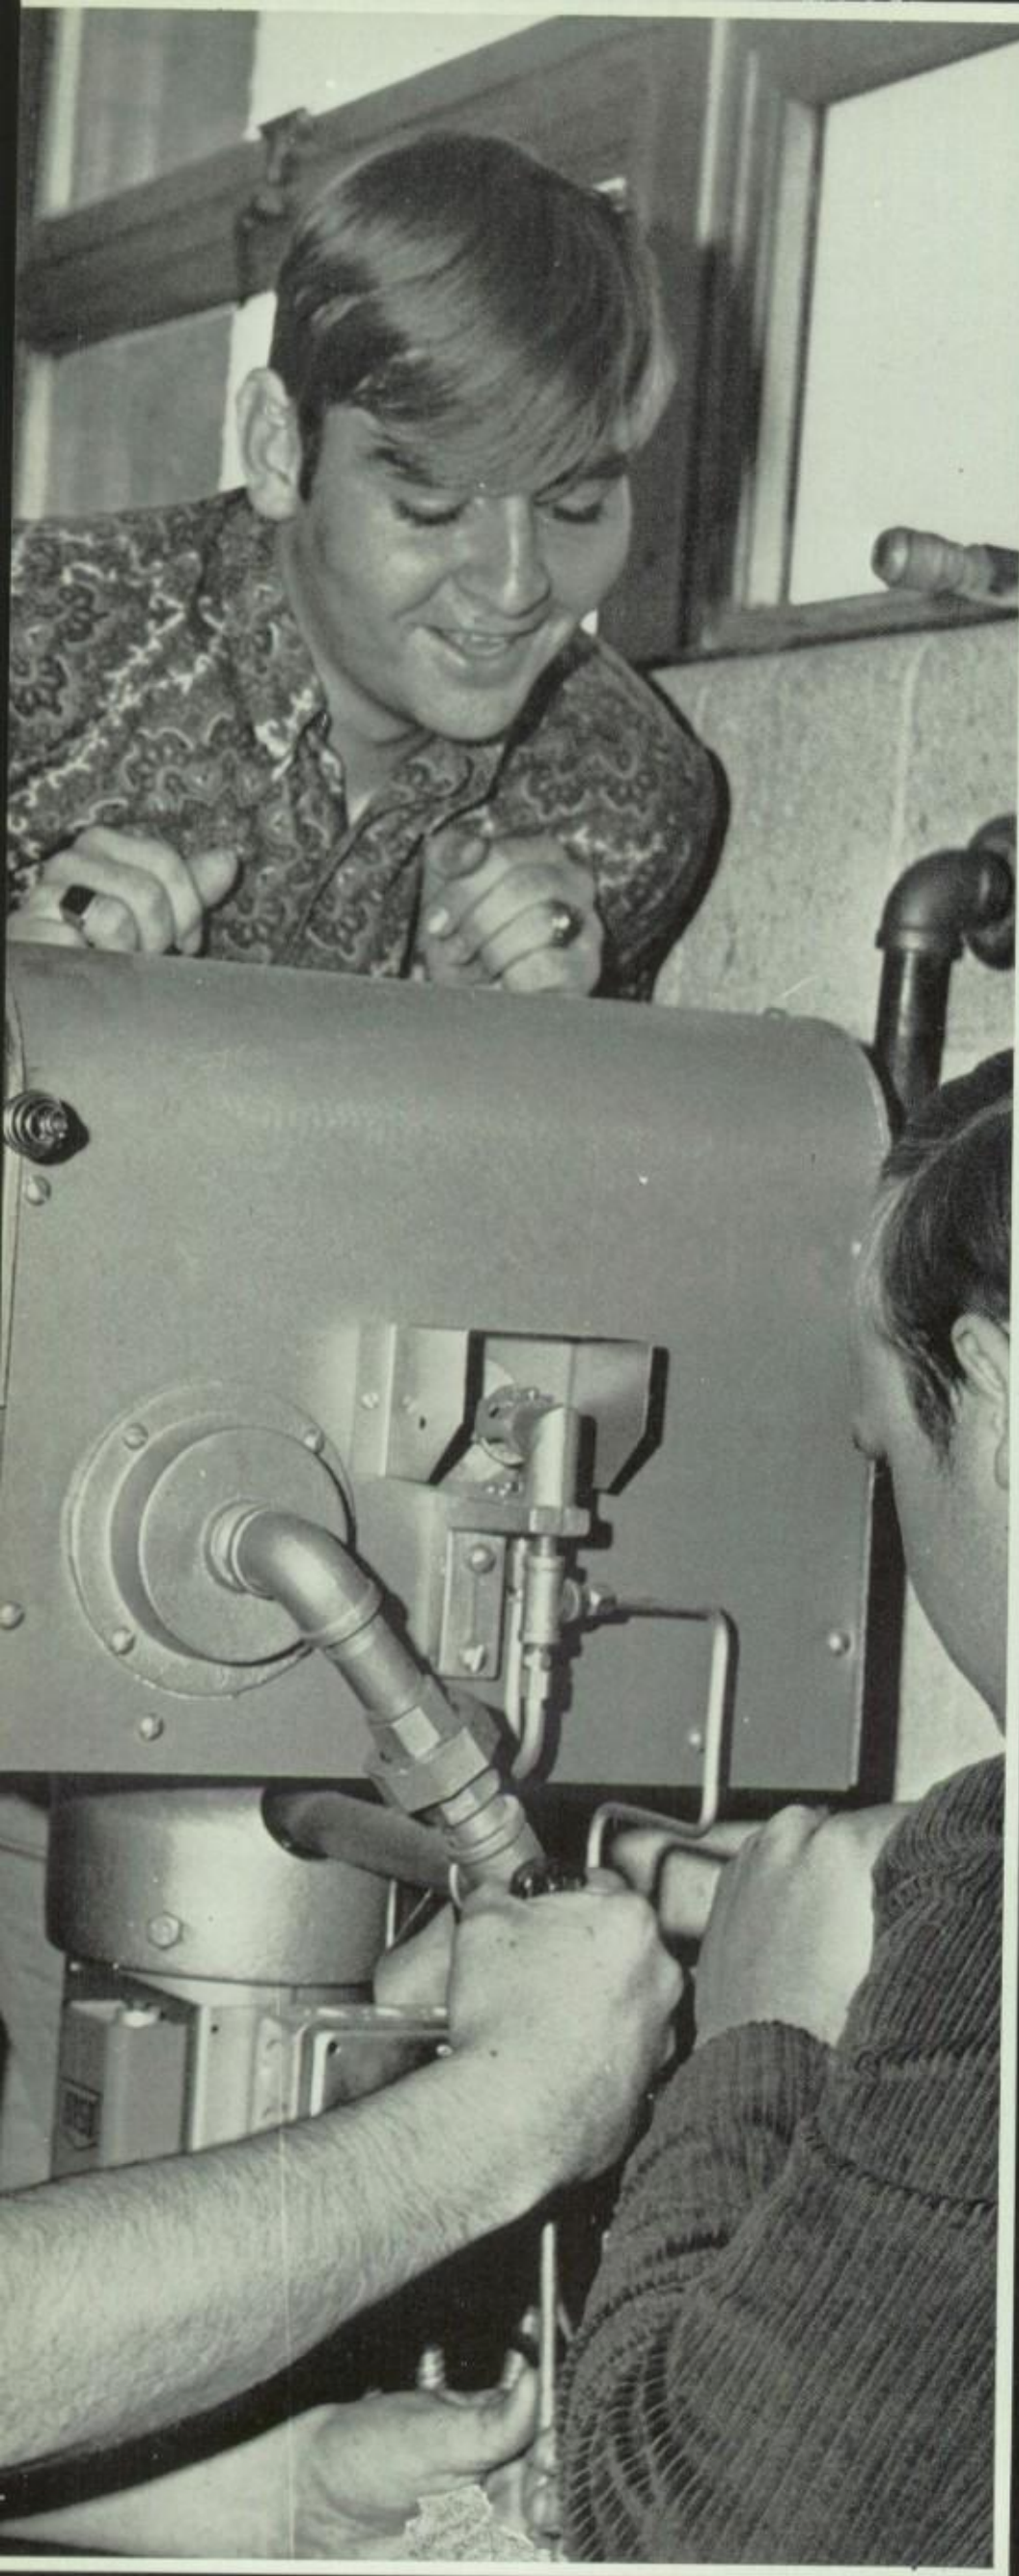

# Key Club

The Key Club is sponsored by the Mid Cities Kiwanis Club. It is composed of young men who are active in school as well as civic affairs. OFFICERS: President, Johnny Smith, Vice President, Miller Bonner. Jeff Davis and Kent Gay, Treasurer and Sergeant-at-Arms.

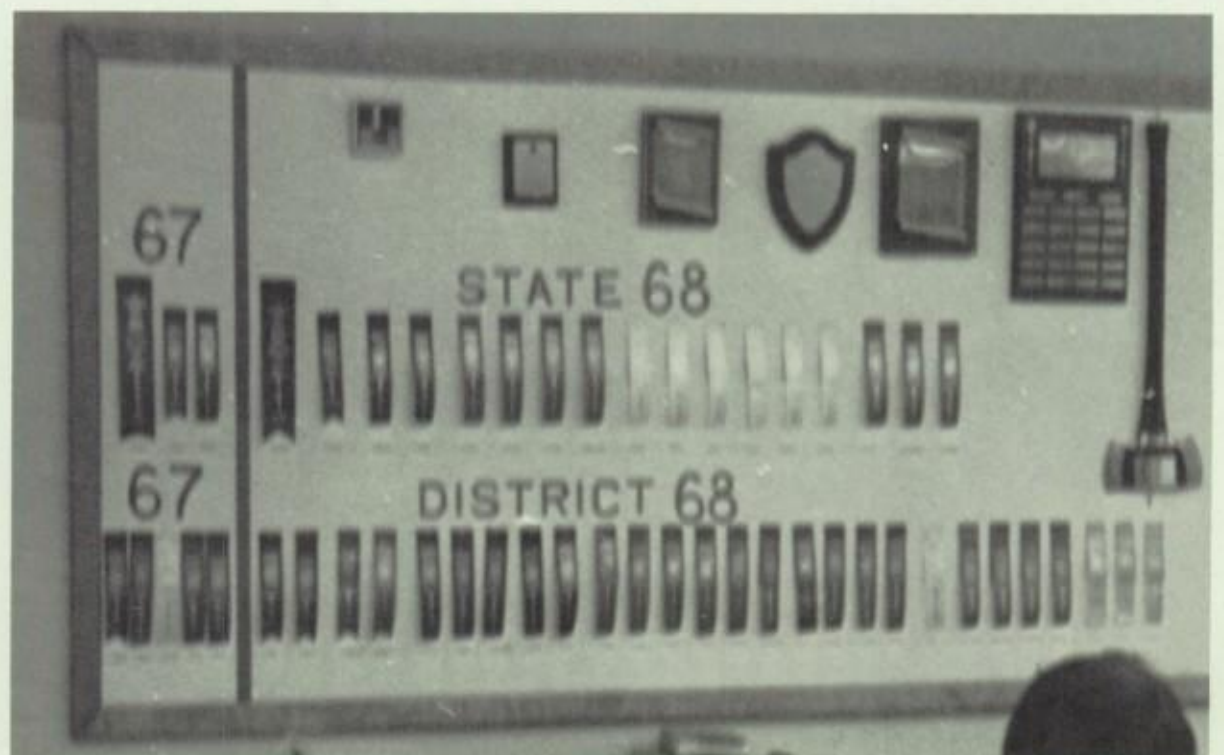

Vocational

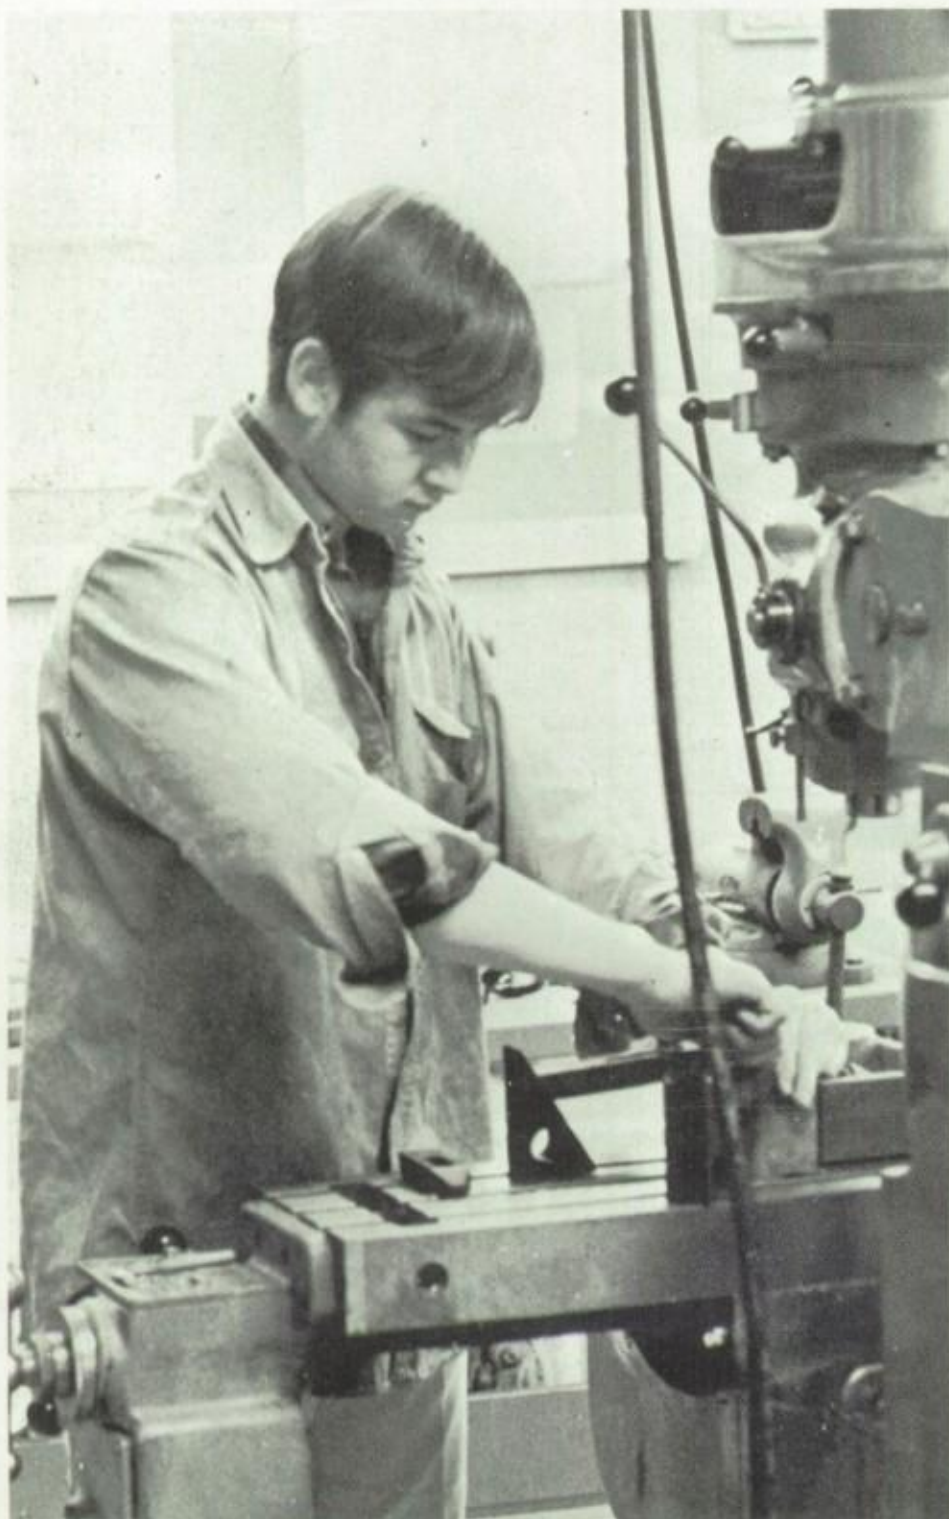

Vocational drafting, which is a part of VICA, is organized to train students in leadership abilities by providing competition. It offers opportunities to each member to gain experience in their prospective occupations.

## Vocational Drafting

# Metal Trades

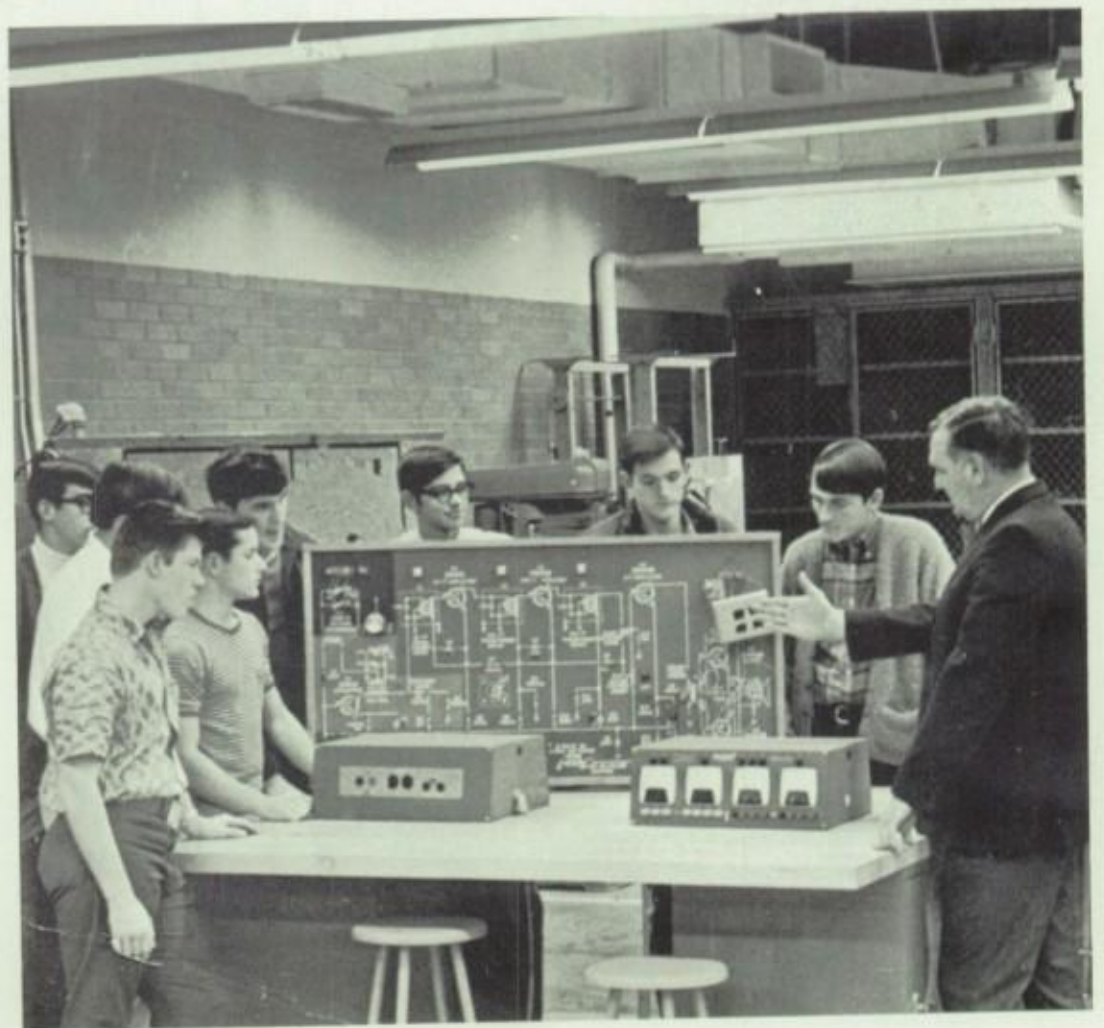

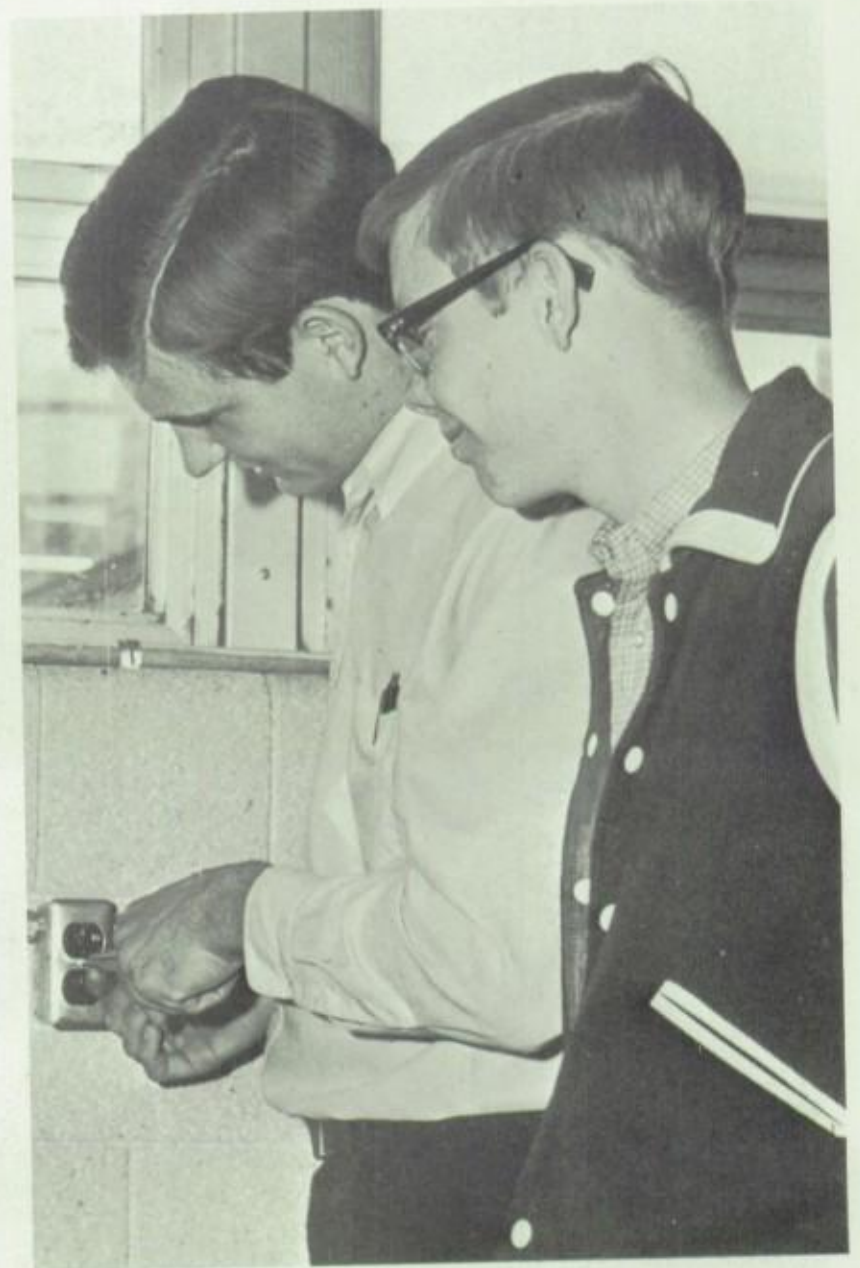

Metal Trades is also a division of VICA which provides experience through competition and practice for students desiring to pursue a career in metals.

# Electrical Trades

Electrical Trades, a semi-professional field included in VICA in which students receive an opportunity to learn and practice their trade through classroom studies,

# I C T

The Industrial Training Club of Bell is a local club which is a part of VICA. It provides competition between students in their industrial and semi-professional fields.

## Distributive Education

Students in D. E. gain business experience through actual employment while being trained for leadership abilities in wholesale, retail, and service selling occupations.

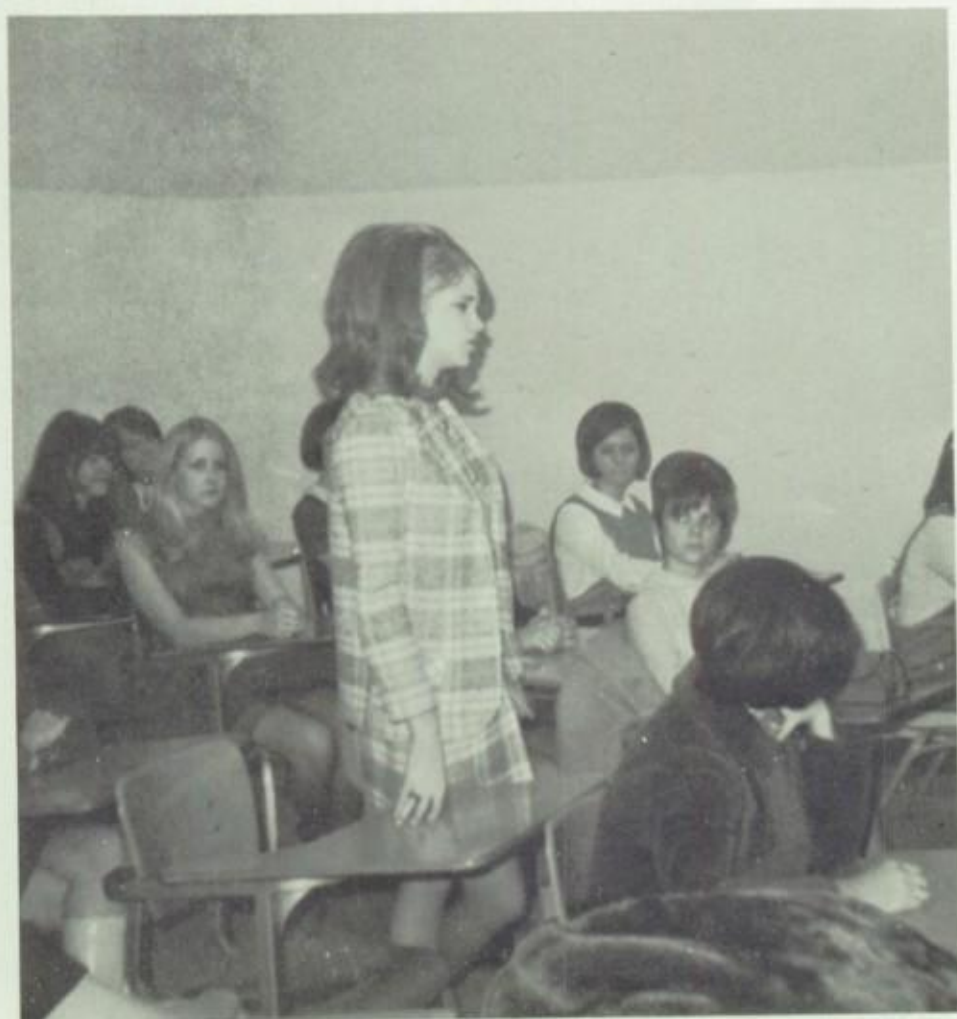

# V.O.E.

Vocational Office Education Club is an organization for seniors who are participating in the VOE program. It provides leadership training, develops initiative through competition.

# F.B.L.A.

These letters represent Future Business Leaders of America. This club is composed of students interested in commercial subjects and careers. It is one of the most successful clubs at Bell, having won outstanding honors each year.

The FBLA is sponsored by Mrs. Thompson and Mrs. Cloer. The Pictures display the club members after District Convention. Vickie Dillard accepts trophy as winner in District Spelling. Kay Souder, new Vice President for District Five. Steve Clodfelter, winner of Mr. FBLA. Mixon Ware, runner-up for Miss FBLA.

# Ugly Man

This year Bell has another "first." The Senior Class sponsored The Ugly Man Contest to raise money for Senior Graduation. The winner of this contest was Greg Armour representing the FBLA Club.

#### ATHLETICS: A PROVING GROUND

Beyond the glory of a winning team and scholarships lies a sometimes forgotten aspect of athletic competition. It applies to not just the heroes, but also to the forgotten teammate; the one who, although he has never played a down of varsity football or made a basket in district play, has never-the-less put in the same long, hard hours of practice as the starters. For him there is also a compensation. He has proven himself. True, no one else may recognize his success, but sometimes what we prove to others means nothing to ourselves. No one else can experience exactly the same feeling that he has; it is his alone. He cannot share it, but then he does not want to. The greatest test of the individual is often the one that he makes for himself. Athletics provides the opportunity to take that test. Not all pass, but those who do have something that they can keep for the remainder of their lives: a sense of pride. It is to this end that the Bell athletic program works, the instilling of pride in the individual. What greater service can a program offer?

## A Seesaw start

UPPER LEFT: Lively streaks toward goal. BOTTOM LEFT: Taylor adds six more. BOTTOM RIGHT: McDaniel signals a Foretich touchdown.

Combining a sporadic offense and a tough, alert defense, the Blue Raiders rolled over Castleberry 24 to 0 to triumphantly open their 1968 season. The Blue combined touchdowns by Teddy Taylor, Pete Chesney, and Gary Lively along with Kenny Foretich's six points kicking to provide the point total. The quick defense pilfered six passes and recovered five fumbles to effectively mute the Lion attack.

A power-packed Denton team quickly destroyed Raider hopes for two victories in a row as they subdued the Blue 42 to 6. Four fumbles and two interceptions thwarted the Bell offense with the Raiders' only tally coming on Foretich's end sweep following a 45 yard pass to Mike Hicks.

An unrelenting defense made Kenny Foretich's 29 yard field goal early in the third quarter all the Big Blue needed as the inspired Raiders edged past highly ranked Richland for their second season win. Great defensive play was the key as the hard-hitting Raiders thwarted Rebel drives time after time with the death blow for Richland victory hopes coming on Mike Vance's interception inside the Bell 20 with 45 seconds left in the game, saving a 3 to 0 Bell victory.

The Raider roller coaster continued its wild ride as the Big Blue fell to R. L. Turner 34 to 6 the following week. A 25 yard Stewart to McDaniel aerial in the fourth quarter provided the Raiders' only tally as mistakes thwarted the Bell offense.

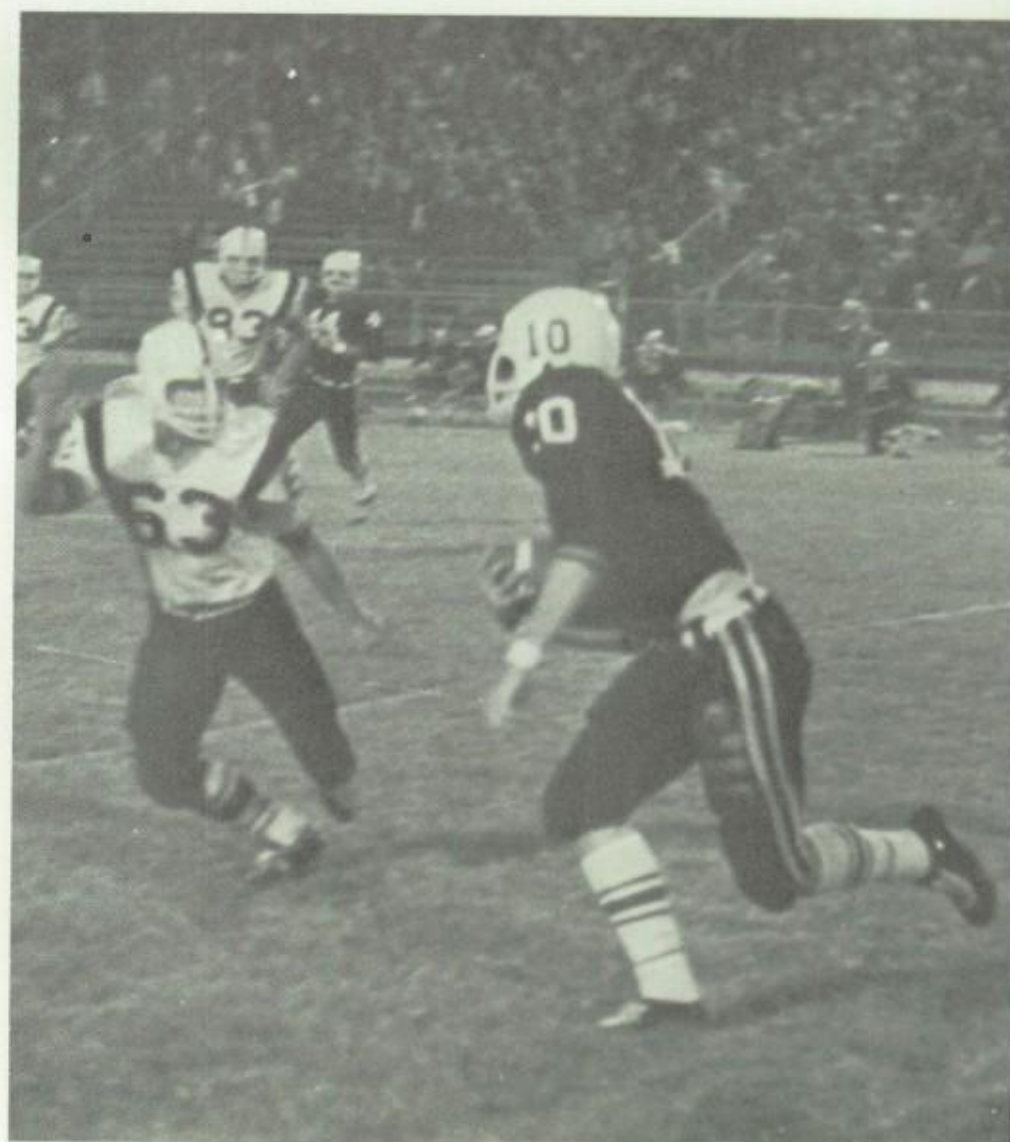

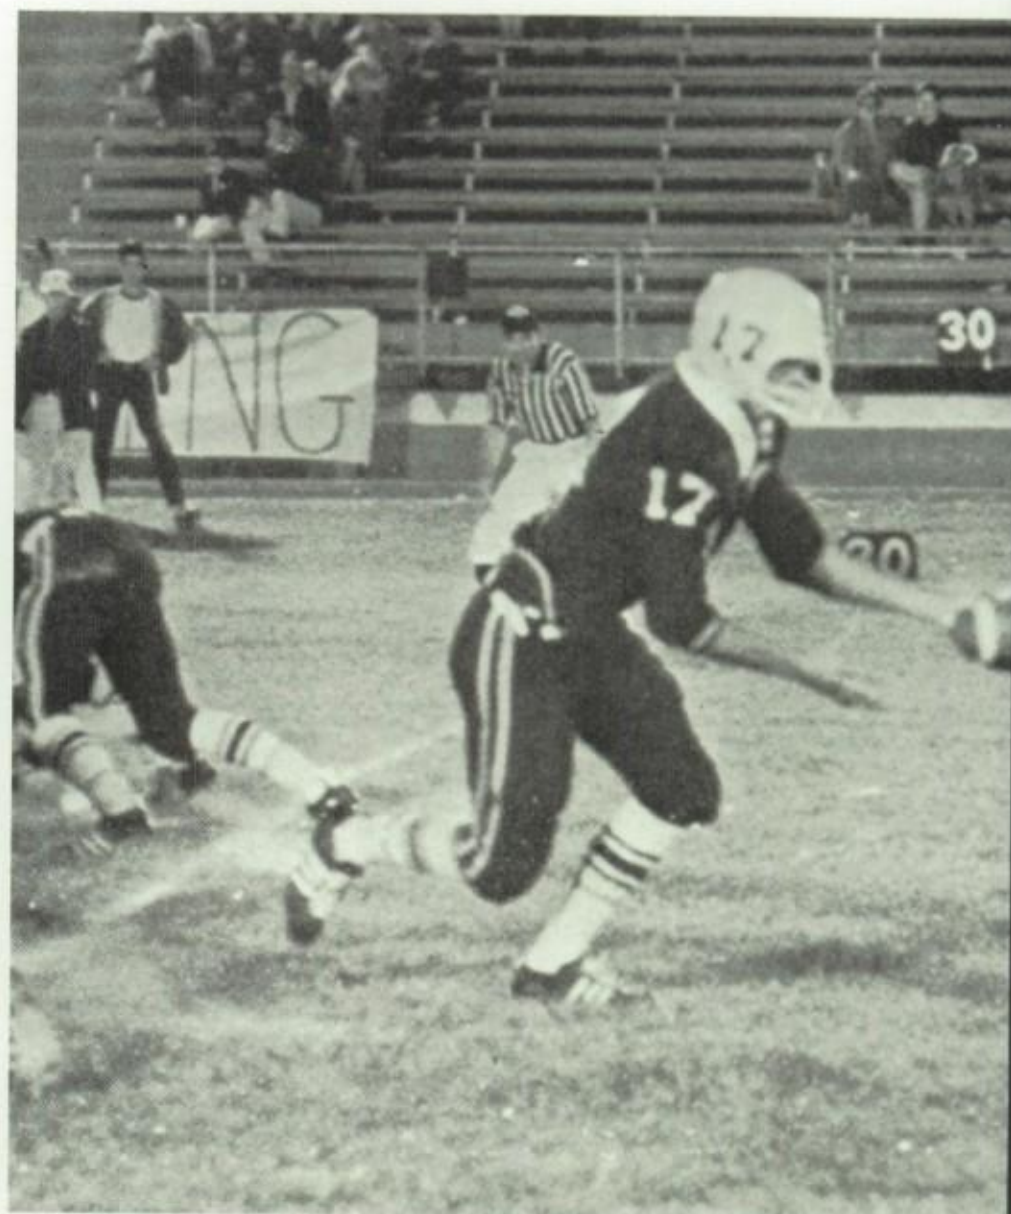

UPPER LEFT: "Hail to thee, Bell High School ..."  
BOTTOM LEFT: Stewart scampers past Richland's  
Boyd and Malunowe. BELOW: Skinner hauled  
down after gain against Turner.

ABOVE: Hicks watches as Glen McDaniel hauls in an aerial. RIGHT: Foretich heads into trouble.

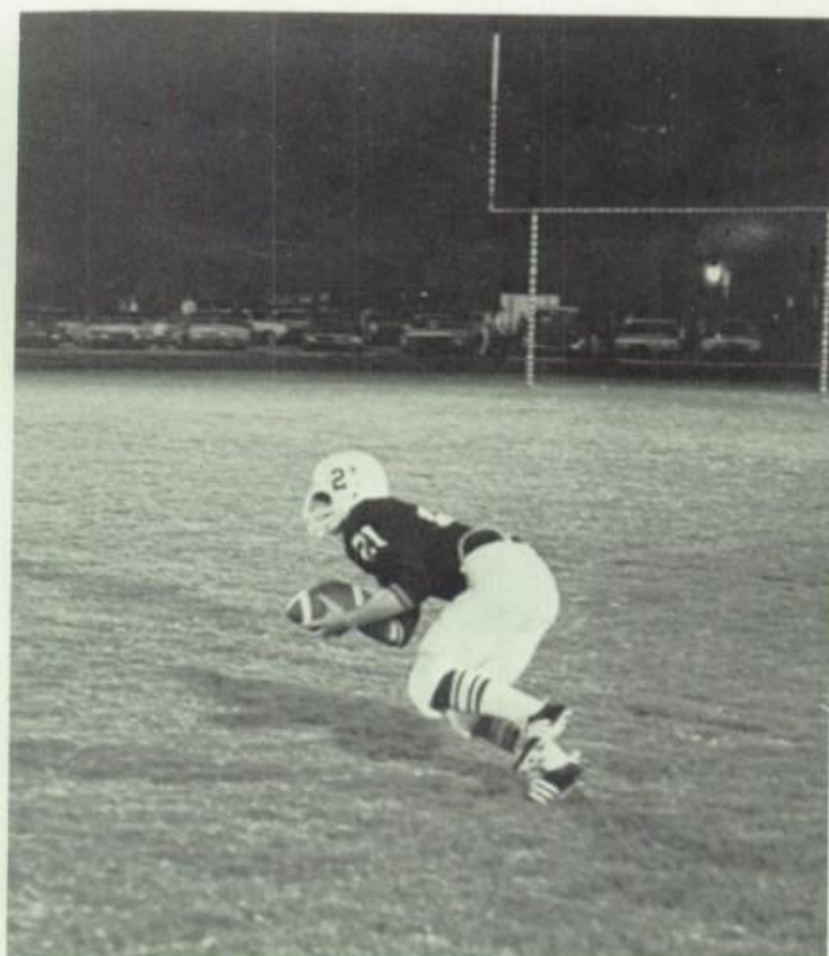

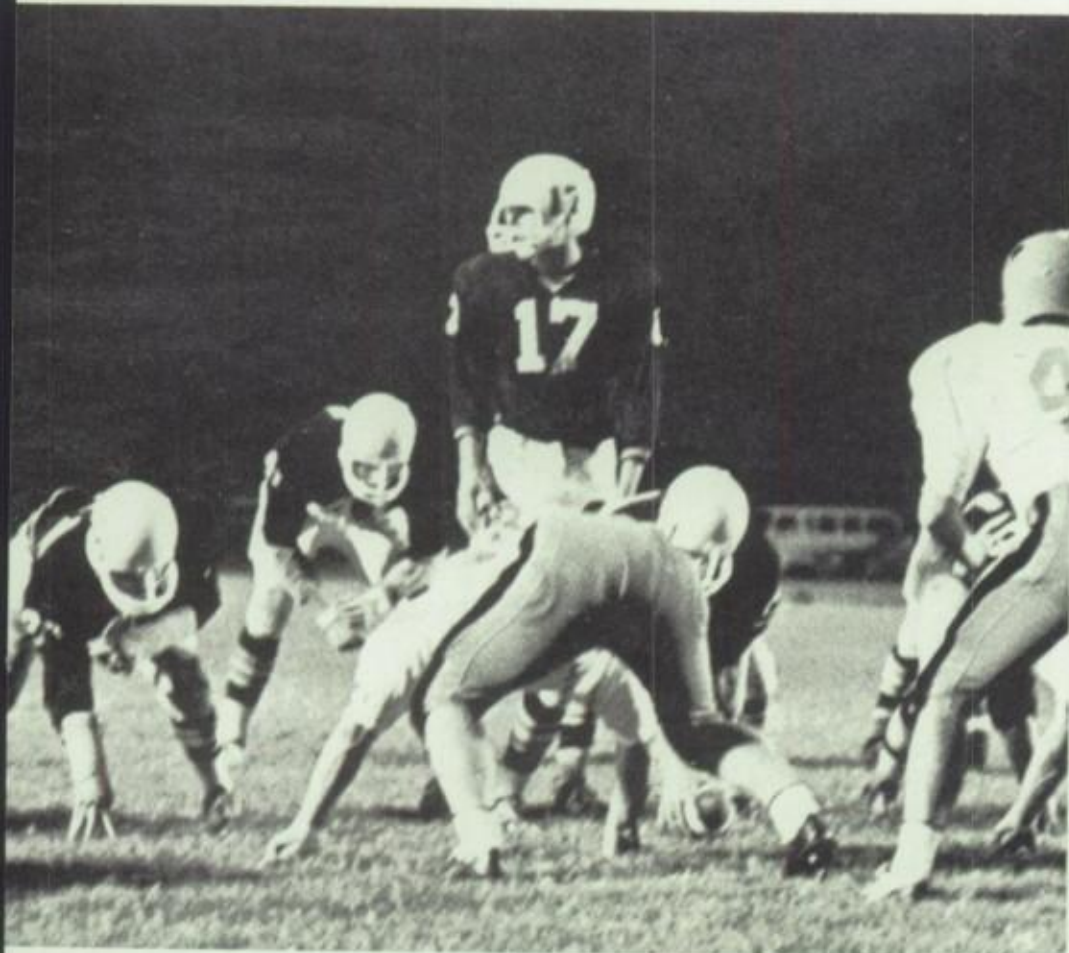

Bell's third victory was a 20 to 0 rout of Haltom's winless Buffaloes. Sparked by a determined defense, the Raider offense took the initiative for three touchdowns. Quarterback Stewart looked sharp with touchdown passes to Glen McDaniel and Mike Hicks with Pete Chesney providing the final marker on the ground. Three interceptions by the Raider secondary muted the Buff air attack while a tough defensive line stopped Haltom's ground game to give the Blue Raiders a much needed victory.

Seven nights later, the Blue Raiders cracked three of quarterback Allen Lowry's ribs, but not before he had spotted the Irving Tigers to a 22 to 0 halftime lead as they went on to defeat Bell 28 to 10. A strong comeback in the second half on a Foretich field goal and a Teddy Taylor touchdown failed to pull out a victory for the Big Blue as Bell suffered its first district setback and third season loss.

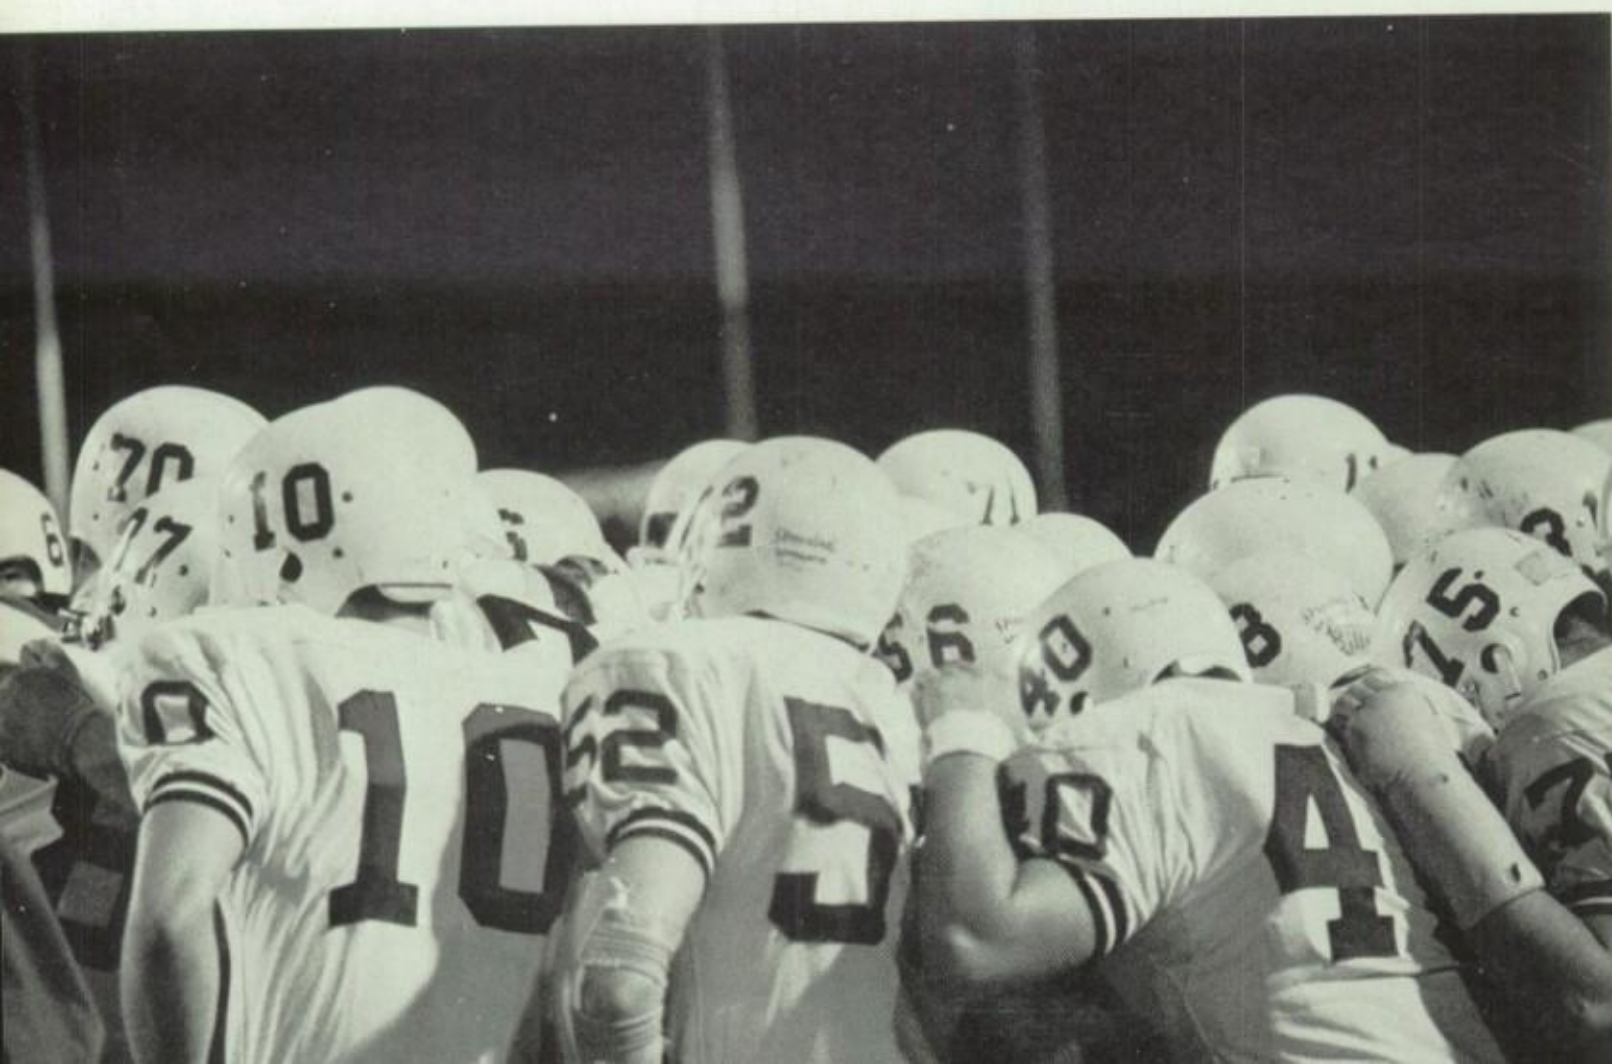

LEFT: Chesney leads as Hill takes hand-off. BOTTOM LEFT: Stewart, the man under for the Blue. BOTTOM RIGHT: Vanderpool scats with Buff punt.

Surprising Sam Houston capitalized on Bell mistakes and penalties to edge past the Raiders 10 to 7. Roughing the kicker penalties against the Blue gave the Texans crucial first downs in their own territory while fumbles muted the Bell offense. Teddy Taylor's touchdown and Foretich's point after provided the Blue point total as the Raiders dropped their second district encounter.

In a game that spoiled everyone's prediction average and left many jaws drooping, the fired up Raiders demolished the highly favored Arlington Colts 42 to 3. Bell held the damage from an early series of fumbles to a solitary field goal while scoring one touchdown in the first half. They then bombarded the Colts with five second half touchdowns with the last three taking only three offensive plays. The alert Blue secondary pilfered four Colt passes, one by Richard Wiseman going for the final touchdown. Great defensive play by Keith Turner, Pat Hopkins, Wiseman, Stewart, Scot Huston, and Dickie Vanderpool shut off the Arlington attack on the ground and in the air as the Blue Raiders rolled to their first district win.

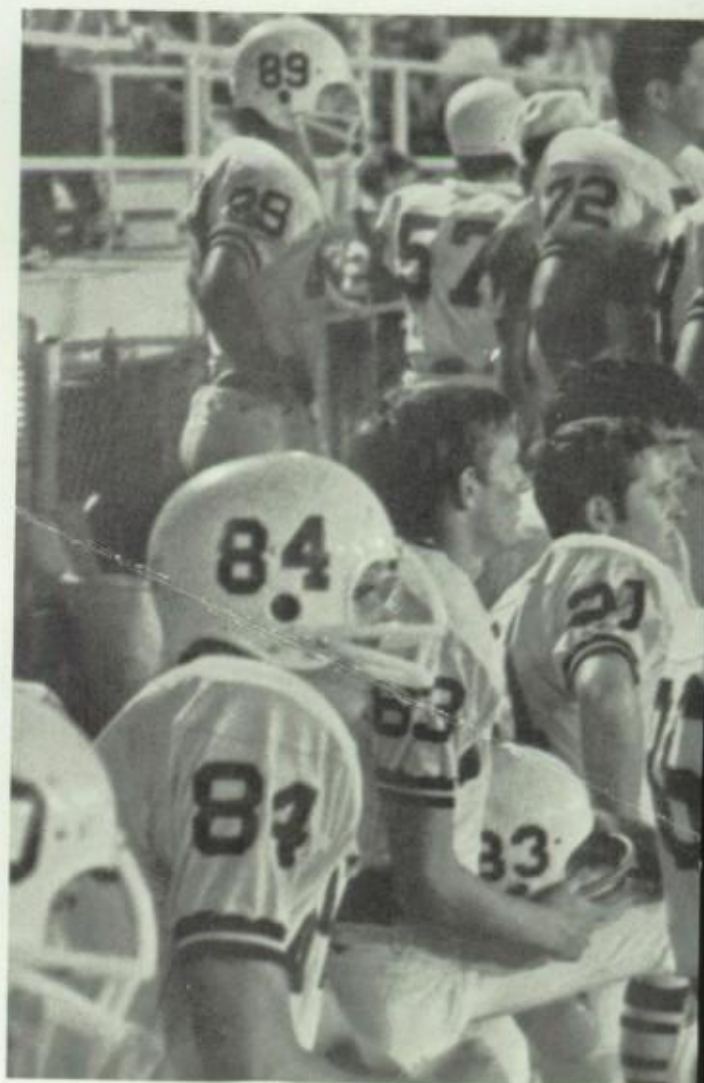

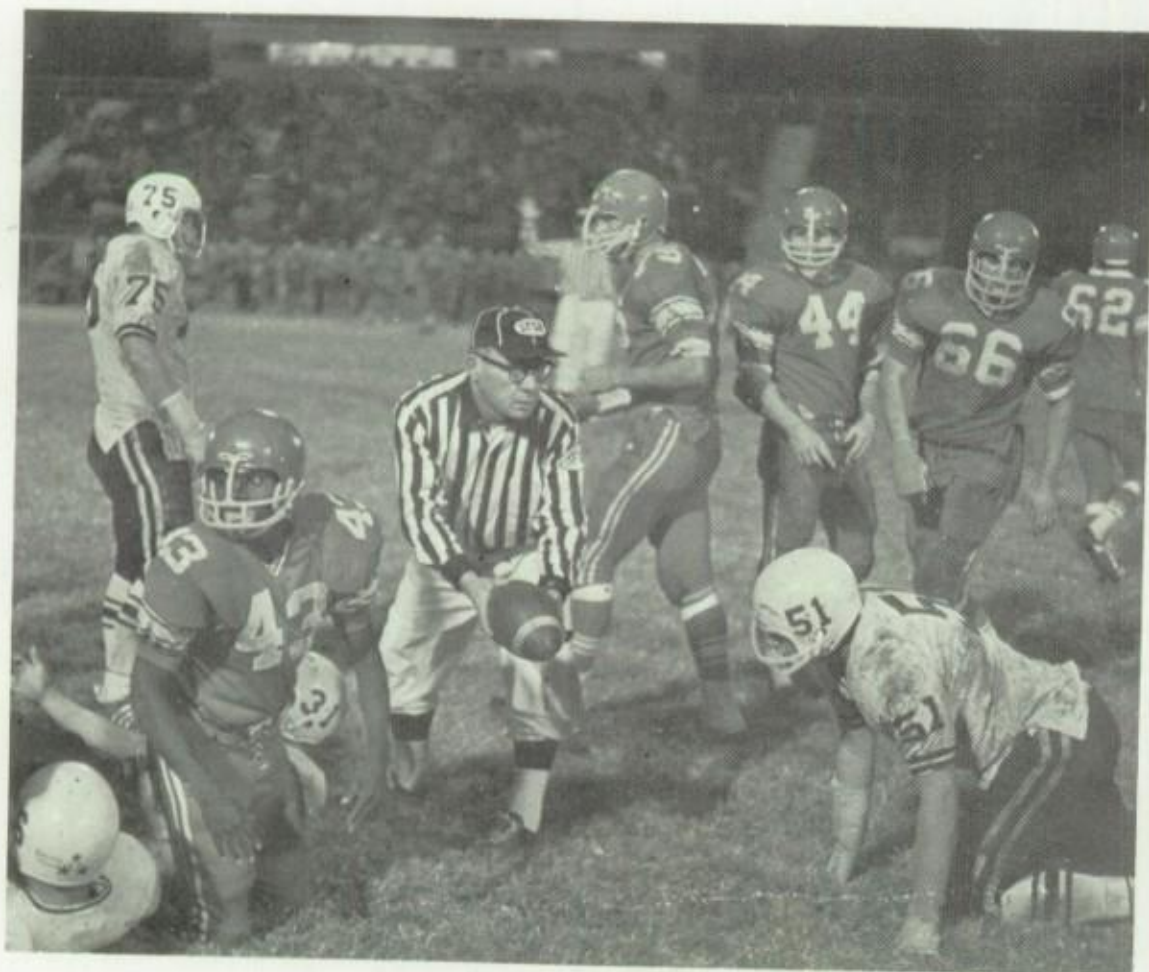

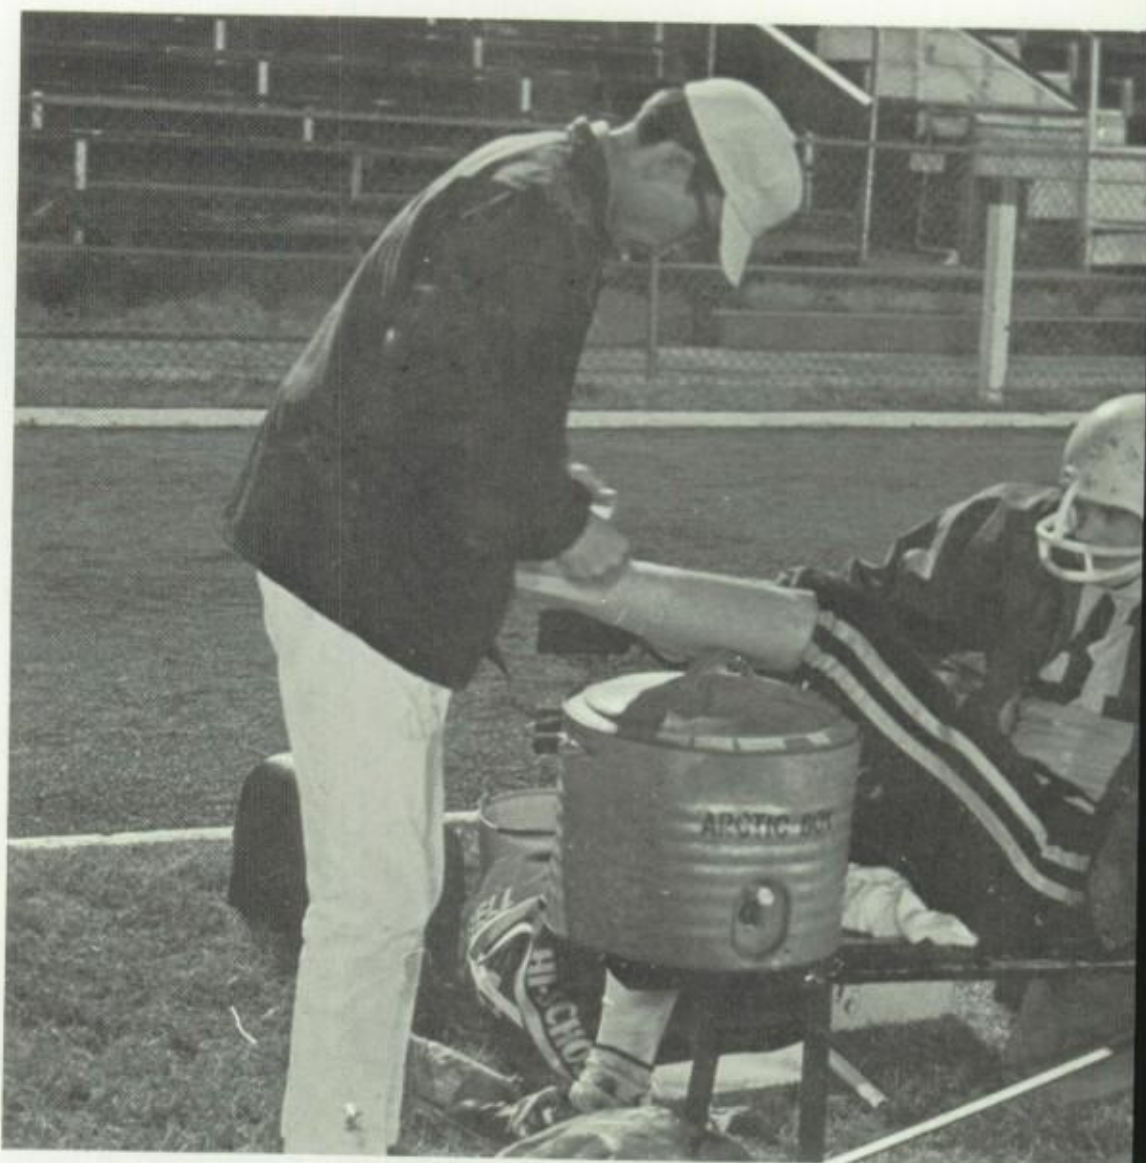

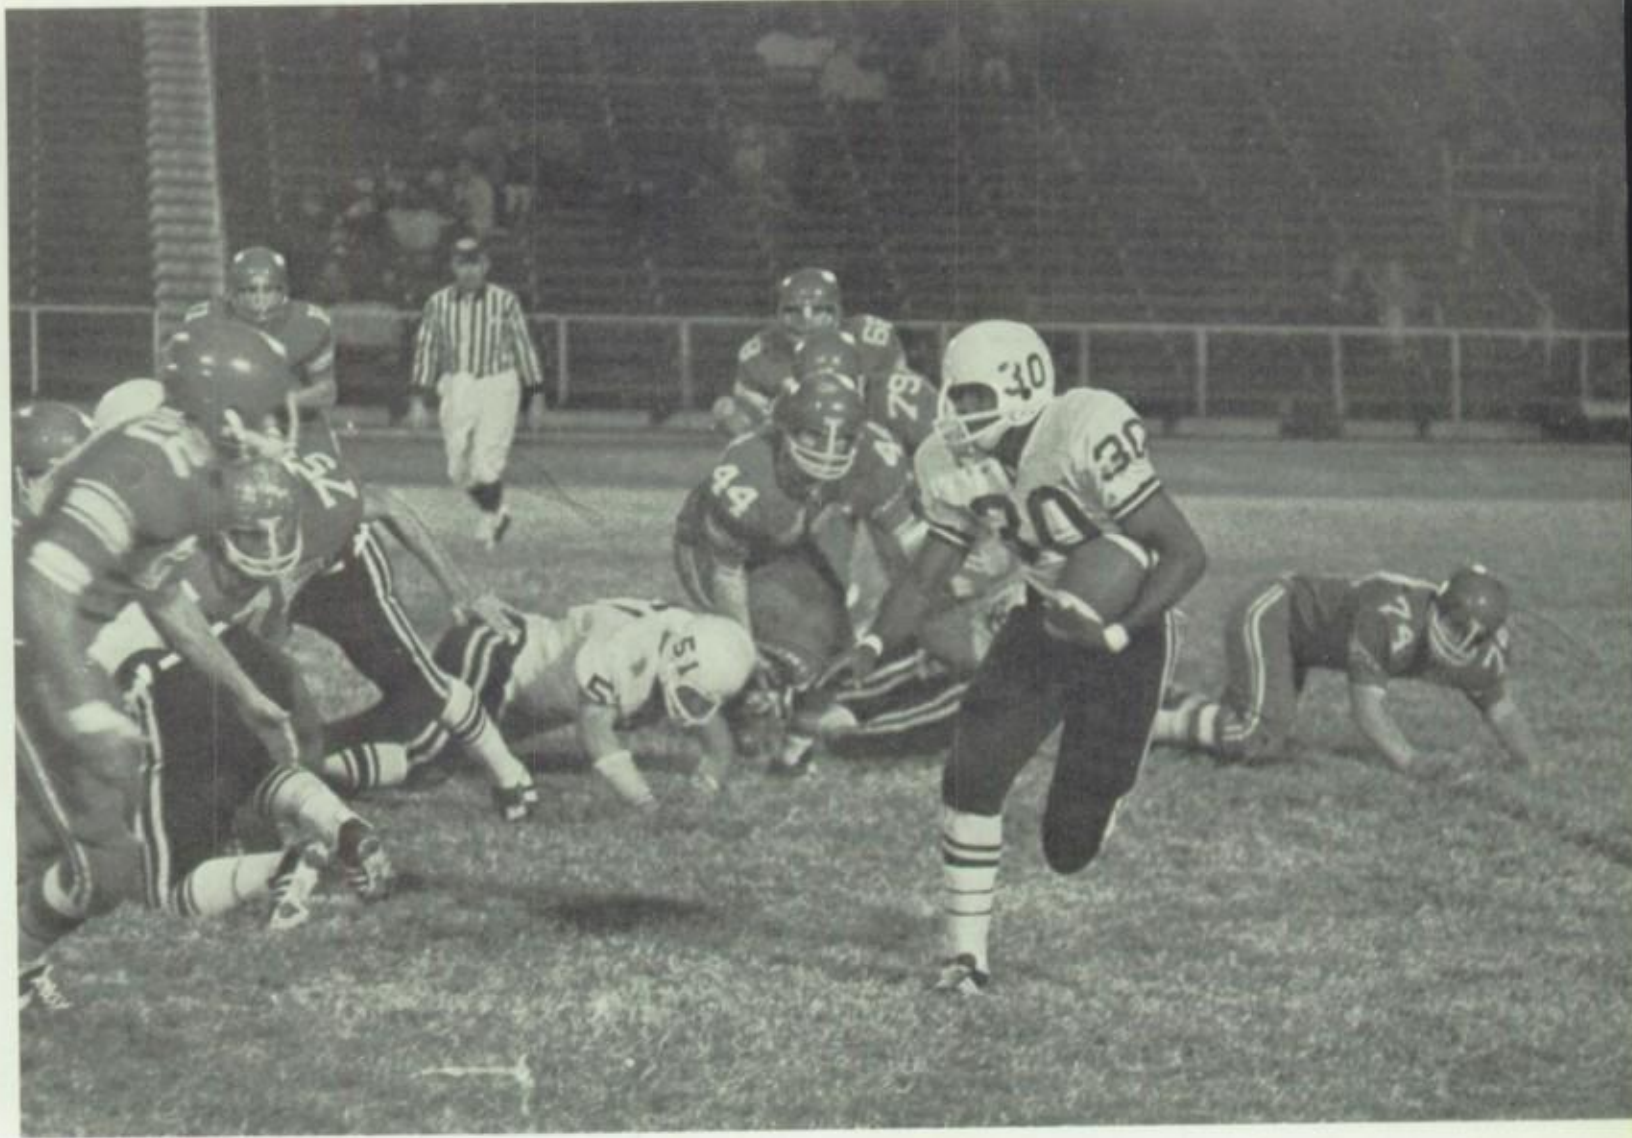

UPPER LEFT: Vance takes a breather. LOWER LEFT: Pregame spirit huddle. ABOVE: Coach Cashion strategizes. UPPER RIGHT: Hightower and Turner dehoof a Colt. LOWER RIGHT: Hicks brings one down.

FAR RIGHT: James Arthur checks the action.  
 RIGHT: Trainer Cousy helps a crippled Wiseman.  
 BOTTOM RIGHT: Sideline determination.  
 BELOW: Ref hands off to Vance for no gain.

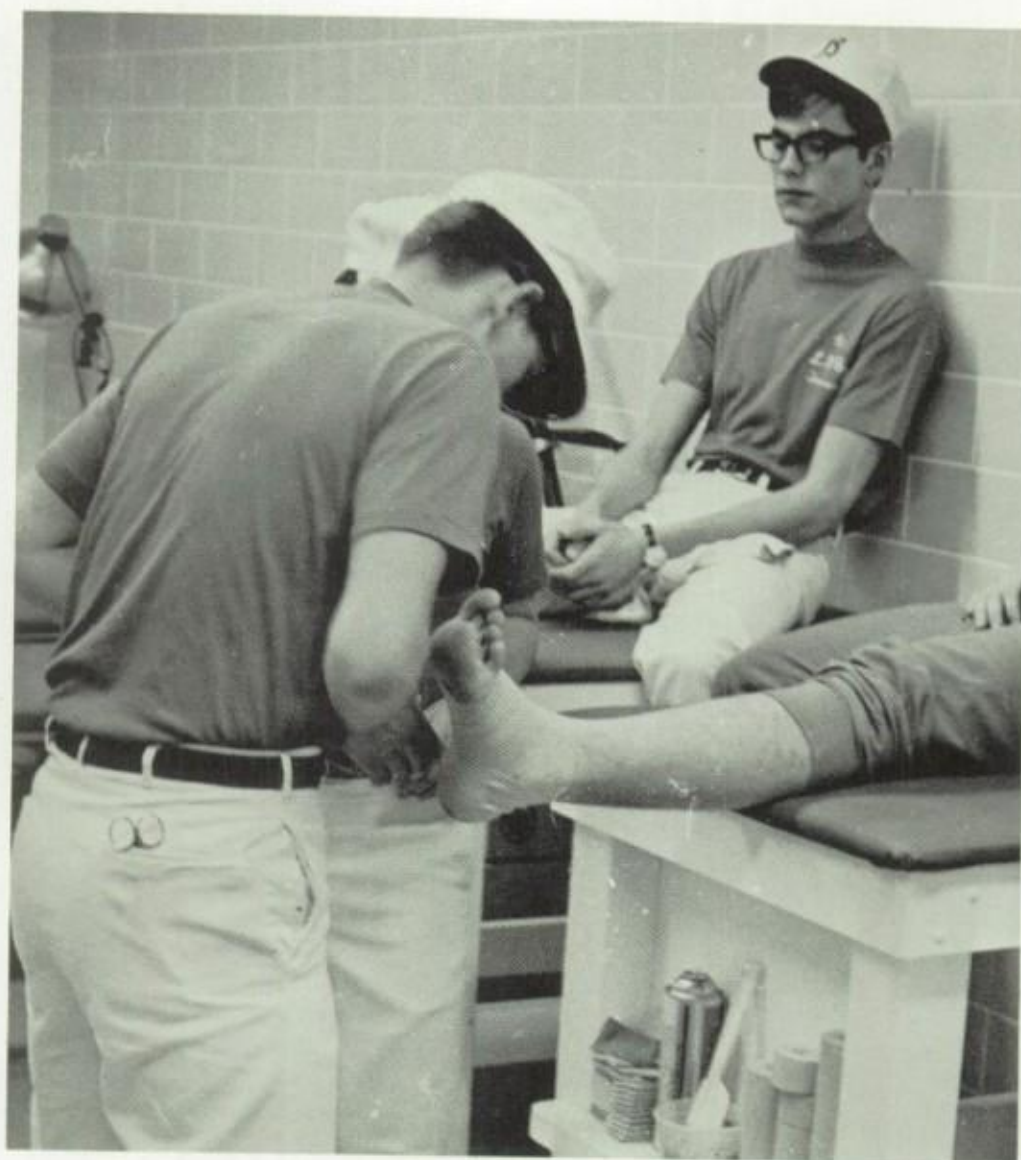

The most successful Bell team since 1965 finished its gridiron season bowing to McArthur and Grand Prairie for a 4-6 season slate.

Kenny Foretich provided the only Blue tally with a 31 yard field goal as the Raiders lost a hard-fought encounter with McArthur 14 to 3.

A disappointing Homecoming capped the 1968 season as the Blue Raiders bowed to high-powered Grand Prairie 16 to 0. The high school finale for 26 Raider gridmen was played on a field more fit for ducks than for football players as the Blue lost three fumbles and four interceptions in route to defeat.

1969 proved to be a dismal season for Raider roundballers as they fell from their district championship perch into fourth place with a 3-7 record. The season was not without its high points, however, as the Blue defeated some of the finest teams in the state, including I. M. Terrell, Richland, Paschal, Richardson, and Arlington Heights. Coach Moore's charges led the district in defensive and had the third highest offensive output. Guard Kenny Foretich led Raider scorers with a 13.8 average. Fine individual performances were also made by seniors Joe Fortenberry, Larry Rucker, Miller Bonner, Monte Durant, Steve Henry, and Keith Covin. A fine nucleus of juniors led by Russell Krieger, Gary White, and Glen McDaniel should provide a fine Raider team for next year as the Blue works to regain district supremacy.

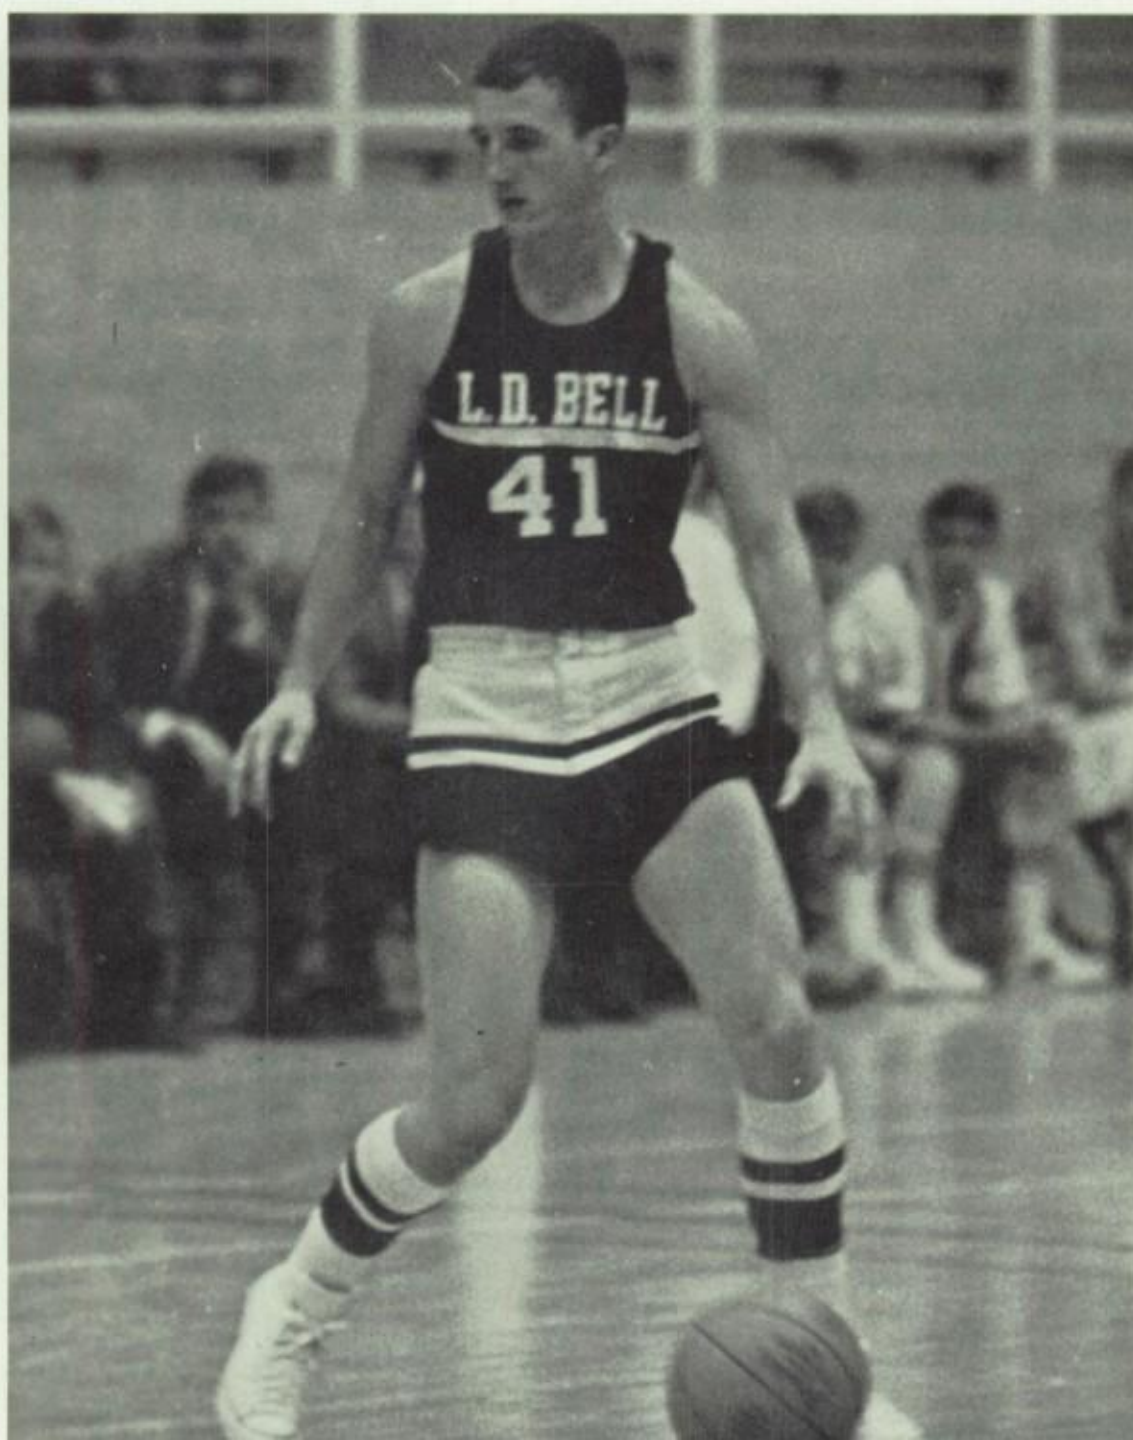

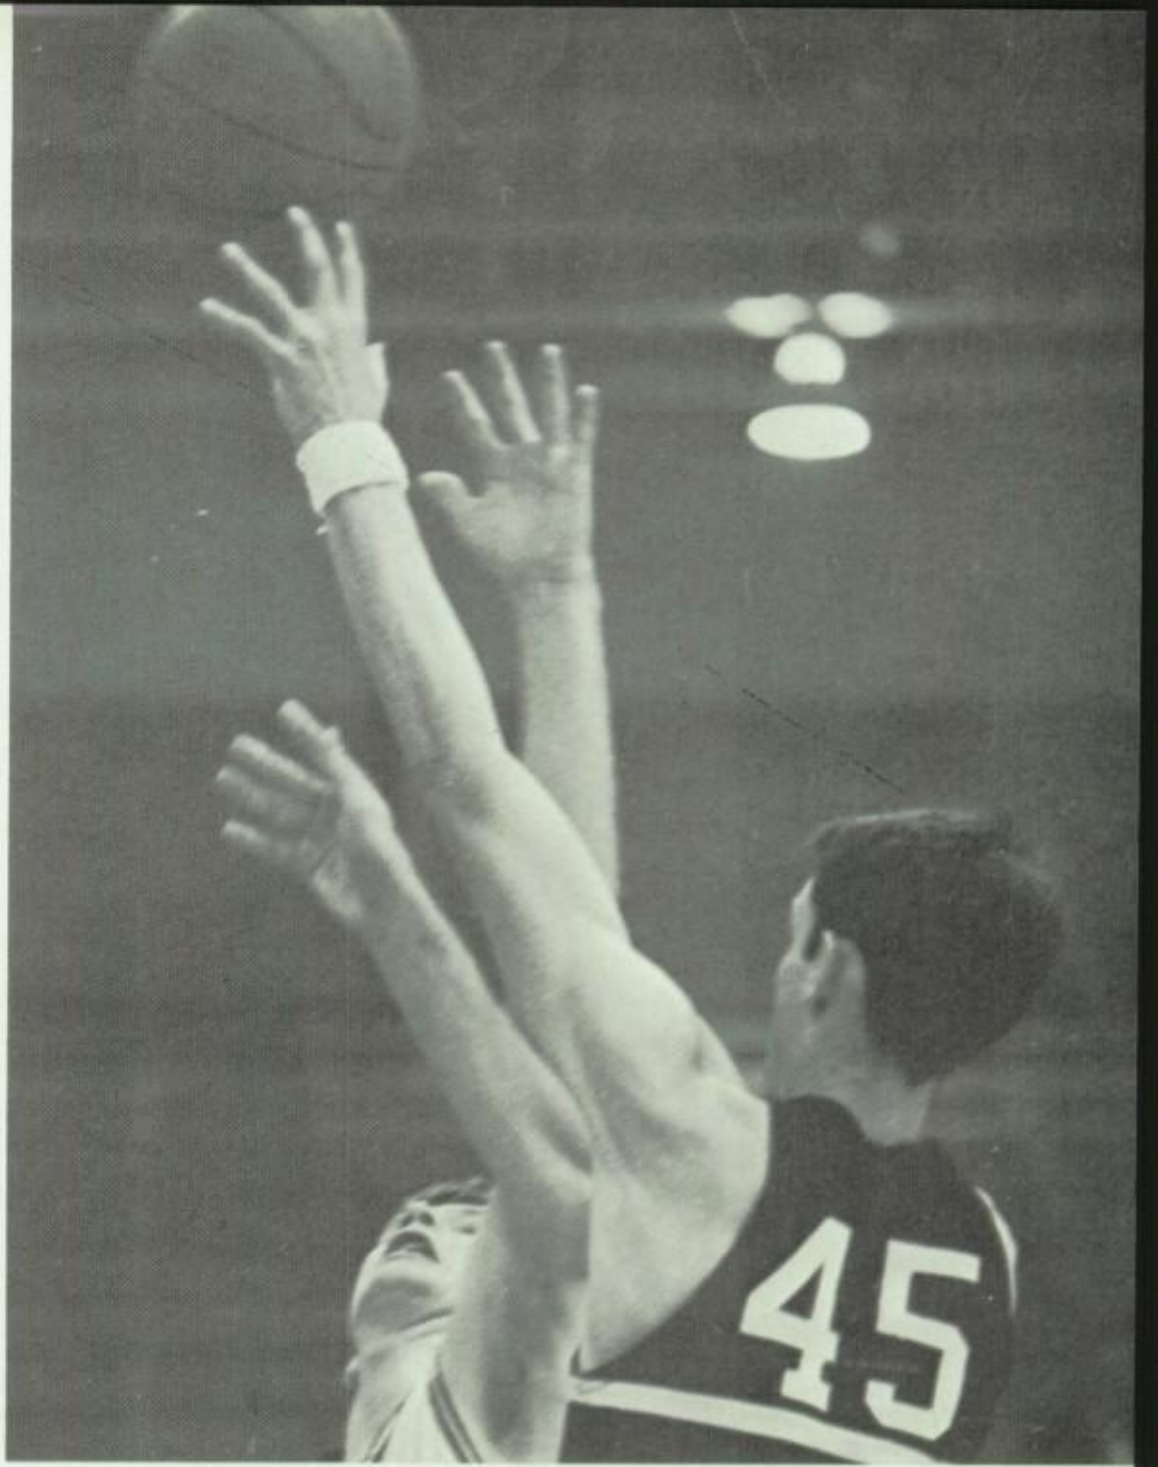

First and second half opening games proved dreary for Coach Moore's cagers as they dropped the first to Arlington 73-81 despite a 22 point output by center Joe Fortenberry. The second game was no better as the Colts dominated again 79-66. Larry Rucker paced the Blue with 17 points.

Raider luck fared slightly better against MacArthur as the Blue split with the Cards. In the opener, Bell clobbered Mac 69-55 behind Fortenberry's 18 points and Krieger's 17. The Cards came back to take the second game 76-59. Kenny Foretich was high man for the Raiders with 16 points.

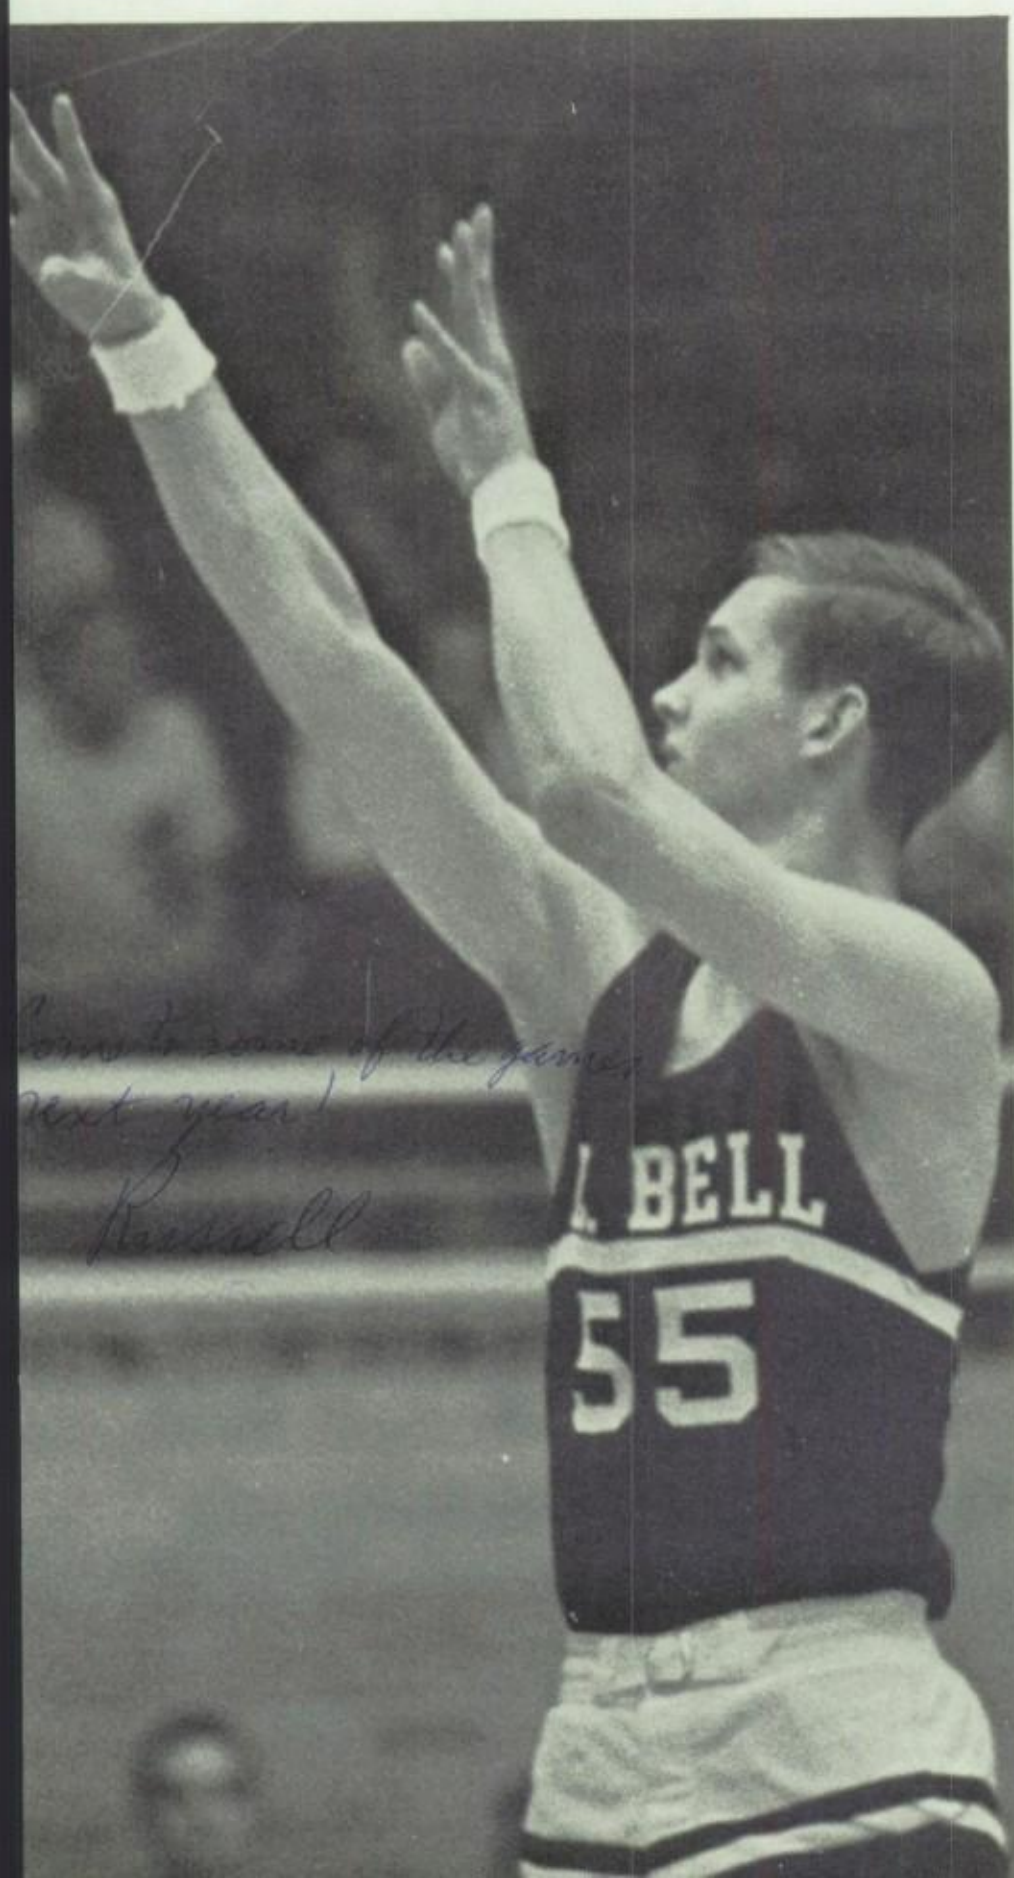

*Russell*

History repeated itself as the Raiders dropped both games to district champion Irving, then split with Grand Prairie. The Tigers completely wrecked the Blue in the first encounter 75-57, but the Raiders came back to within four points in the second as they were edged out 45-41.

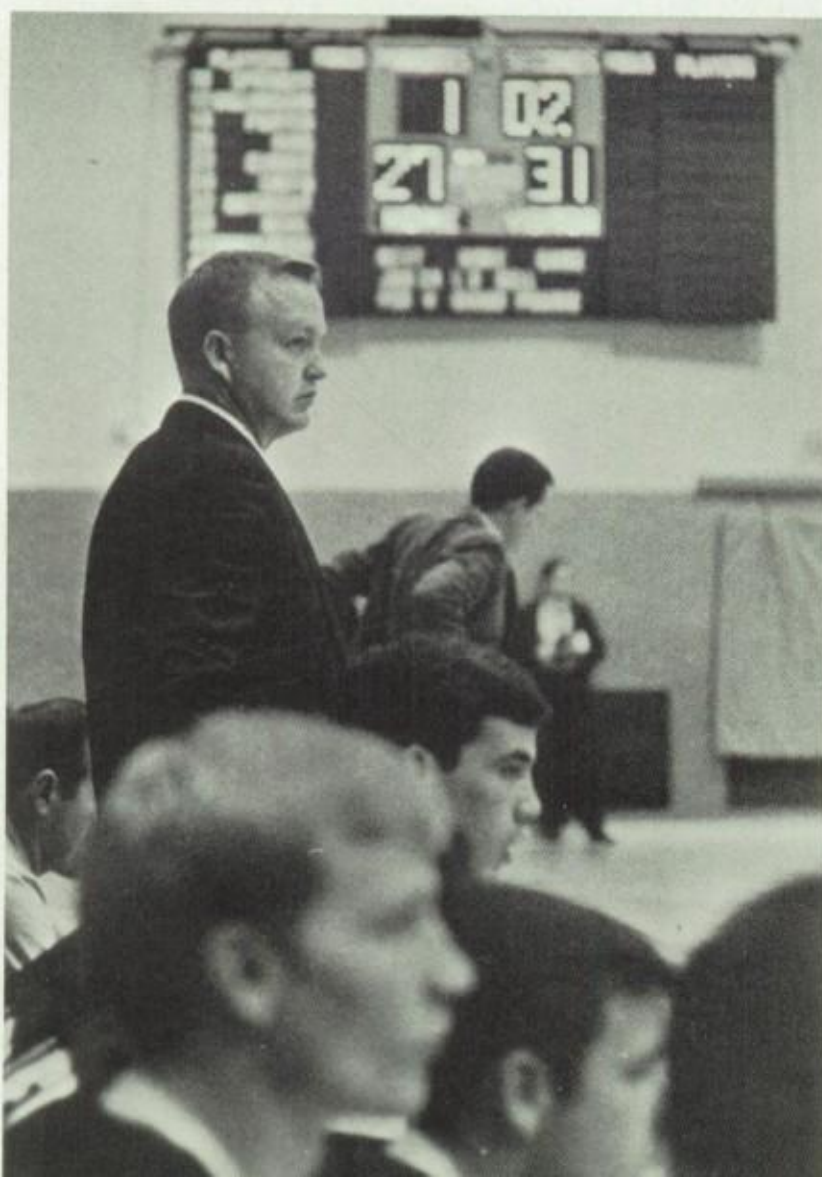

Grand Prairie felt the wrath of the Blue as they were overcome 71-55. Joe Fortenberry lead the onslaught with 21 points. The Gophers evened the score in the second contest as they squeaked by the Raiders 42-39.

*Comes to some of the games  
next year!  
Russell*

The Blue Raiders ended the first half of district competition on a sour note, bowing to Sam Houston 55-59. Fortenberry's 16 points was high output for the Blue. In what was perhaps the season's most exciting game, the Raiders edged past the Texans 59-58 to end the district slate on a very happy note. Foretich poured in 20 points to lead the Blue charge as the long season finally came to an end.

Is tennis really the sport of the court? Are tennis players the royalty of the school? These and other questions like them are answered each year as Coach Hopkin's racketeers take to the green concrete to engage in mortal combat with the small white ball. Winning seasons year after year have been the result of the long hours of hard practice put in by the Raider squad. Perfect examples of the perseverance required by tennis, the Bell netmen have demonstrated the value of desire: a winner.

# Golf

Throughout the year, while the football, basketball, and baseball players and trackmen sweat and toil, an almost forgotten group of athletes uphold chivalry at Bell High School. These are the golfers.

Led by Coach Jack Rucker, these dauntless heroes invade local golf courses weekly to perform valuable public service by clearing the rough of overgrown weeds, stroke by stroke. How refreshing to see, in the midst of a sea of straining athletes, these last remnants of serenity and poise. They are truly gentlemen.

The closing of another year at Bell has come. Another class will graduate and another class will take its place. At first glance it might look as though nothing was different this year from any other year. A closer look will show a great deal of differences, more to some than to others.

We of the Raider staff hope that some of these differences and outstanding moments have been captured in some of the pictures in this book. Many were missed, we're sure, but at least some were caught.

I would sincerely like to thank you, the student body and faculty, for your cooperation. This year, more than ever before we needed it and this year more than ever we were shown cooperation. We hope your efforts will be rewarded through the contents of this book.

Secondly, I want to say how very much I appreciate my staff. There were many times when we thought sure we would not come through, but each time we did. There were bad times, but that's what made the good times seem even better. To Mrs. Dean all I can say is thank you, so very much, for all you've done for us. Each of us can remember times when only your smile and encouraging words kept us going.

This has been a good year, a year of changes, from the form of the newspaper to the awarding of Senior Privileges. It is our hope that through this book you will be able to recall some of the things you enjoyed the most and disliked the most and that you will find pleasure in remembering.

That did it, we're through!

Dixie Day  
Editor, Raider

Paul,  
 It has really  
 been fun knowing  
 you this year. Thanks  
 for saving our journalism  
 class from boredom! You're  
 really a nice guy. Hope you have  
 all the luck in the world! Have a  
 great fr. year!

Love,  
 Sharon '69

To the kid who never  
 knows the answer and can  
 beat a teacher to death (Mrs. Kennedy),  
 you're a cool guy, stay that way '70 or '71  
 Master waits '69 or '70

Love  
 Francis

Paul,  
 It's been nice  
 knowing you  
 this year. You've  
 made journalism  
 "interesting"  
 Good Luck!  
 Alyson Adams

Paul, let alone  
 expect kids get your  
 "good luck" in the future.  
 68-69

To a someone  
 a other!! and that's  
 all I've got to say  
 about you - (don't want  
 to hurt your feelings.)  
 Nancy  
 Brutter

Good  
 Luck

 me

To Dimmit  
 You have given me  
 nothing but trouble this  
 year and I hate your  
 guts. You just can't keep  
 your hands to yourself.  
 You should grow up  
 sometime. You're nothing  
 but a little kid. I hope  
 you go to Trinity next  
 year to get you out of  
 my sight. And I'm  
 not kidding.

Cindy  
 7/1

P.S. I guess  
 you're all right  
 sometimes.

Although I didn't get  
to know you well, I enjoyed  
being in Class with you.  
You really made journalism  
more interesting. Best of  
luck in all you do.  
Jan Smith

All I am going to say  
is that you have an  
unusual Personality.  
I and would have  
been a big loss if you  
hadn't been here to  
cheer the place up  
to its future.  
I hope you are  
up.

D. J. L.

Dear, I enjoyed you  
one of my  
because if you  
it would be  
love. I  
hope X

Well  
 Mr. David,  
 How does it  
 feel to be a blonde?  
 No, Paul, all kidding  
 aside you've got a great  
 sense of humor and you  
 can take kidding and I  
 really admire that in you.  
 I hope we will always be  
 friends and continue to  
 each other without any damage  
 to our friendship. Good luck,  
 Just Ya  
 Cheryl Gentry

Paul,  
 It really has been  
 fun having you in  
 Denver all this year.  
 You really are a pretty  
 nice guy the just needed  
 somebody to pick on. Hugs  
 you.  
 Best of luck  
 Cathy Long

Paul,  
 Even though  
 we may give the  
 person a very fine  
 time of time, the  
 have a lot of love  
 I'll see you next  
 year. See you next  
 year.  
 Jim Deloate

Paul  
 you are pretty  
 good guy you  
 have made others  
 feel a lot more  
 believe me just I think  
 you can come out of it  
 hope I see you next year.  
 Love!

Dear Paul,  
I sure hope you get to  
be editor of a newspaper  
just like I got to be captain.  
I think you're a fine person  
& I don't think you're immature,  
the way I look at it, you've got one  
of the freshest outlooks on life  
more than any one person I know.  
It's been great getting to know ya  
& I hope we remain friends.  
Lots of luck in everything,

Paul,  
So a real  
cool kid in my  
Dr. Ed class - although  
he is only a mere student  
and in a secretary!! Ha!  
For really! Take care  
of yourself and Good luck!  
Love ya, "5' 70"

Tingo Gotza McKenzie!

Goodness Paul, I don't  
know what in the world  
journalism would be  
like without you in  
here to liven things  
up. It will just never  
be the same. See ya  
next year.
